## Risk Management Team (RMT)

| # | Name | Designation | Role      | Directorate/ Department/ Section |
|---|------|-------------|-----------|----------------------------------|
|   |      |             | Chairman  |                                  |
|   |      |             | Secretary |                                  |
|   |      |             | Memembr-1 |                                  |
|   |      |             | Memembr-2 |                                  |
|   |      |             | Memembr-3 |                                  |
|   |      |             | Memembr-4 |                                  |
|   |      |             | Memembr-5 |                                  |
|   |      |             | Memembr-6 |                                  |
|   |      |             | Memembr-7 |                                  |
|   |      |             | Memembr-8 |                                  |
|   |      |             | Memembr-9 |                                  |

## Summary of Risk Assessment

| Activity      | Risk Rating |        |      |            | Total |
|---------------|-------------|--------|------|------------|-------|
|               | Low         | Medium | High | Intolerant |       |
|               |             |        |      |            |       |
|               |             |        |      |            |       |
|               |             |        |      |            |       |
|               |             |        |      |            |       |
|               |             |        |      |            |       |
|               |             |        |      |            |       |
| <b>Total:</b> |             |        |      |            |       |
