

# JOB OPPORTUNITIES

Oil & Gas Development Company Limited (OGDCL) is looking for high caliber professionals to take the company to new heights/dimensions in under-listed categories:

SR. #	POSITION	QUALIFICATION / EXPERIENCE		UPPER AGE LIMIT
01	Manager (Petrophysics) (EG-VII)	Bachelors of Engineering in Petroleum or M.Sc. / BS in Geology or Geophysics with 14 years post-qualification relevant experience as Senior Petrophysicist including minimum 10 years in operating Exploration and Production Organization. Well versed in advanced LWD/WL open and cased hole technology applications / Interpretations / Operations and Reservoir Petrophysics, Core data analysis (SCAL/RCA/EOR-Petrophysics). Petrophysical applications for static/dynamic model. Tight gas and Unconventional evaluation using advanced measurements. Geo-mechanics and fracture reservoir development. Coordination with other key subsurface discipline and team management.		50 Years
02	Chief Reservoir Engineer (EG-VI)	Bachelors of Engineering in Petroleum with 12 years post-qualification relevant experience of E&P sector as Reservoir Engineer including at least 07 years' experience in Reservoir Simulation (Black oil & Compositional). Applicants must possess an in-depth understanding of Reservoir Dynamic Modelling as well as EOR/ IOR and Hydraulic / Acid fracturing particularly for conventional and unconventional reservoir. Applicants must have expertise on simulation software such as Petrel (RE) and Eclipse (Office, Black Oil, Compositional, Local Grid Refinement, PVTi etc) and will be required to construct simulation models by incorporating geological models.		45 Years
03	Chief Development Geologist (EG-VI)	M.Sc. / BS in Geology	12 years post-qualification relevant technical experience in E&P Sector	45 Years
04	Deputy Chief (Development Geologist) (EG-V)		10 years post-qualification relevant technical experience in E&P Sector	
05	Chief Development Geophysicist (EG-VI)	M.Sc / BS in Geophysics with 12 years post-qualification relevant experience in E&P Sector as a development geoscientist working on field development projects and producing assets. Strong geophysical interpretation skills including classic seismic interpretation, structural geology, seismic attribute analysis, rock physics, depth conversion, seismic inversion and well tie analysis. Applicant must be well versed with G&G Operations and well coupled with a good understanding of drilling and production operations. Experience of 2D/3D seismic interpretation and working with reservoir engineers, integration of data with simulation models.		45 Years
06	Senior Reservoir Engineer (EG-IV)	Bachelors of Engineering in Petroleum with 07 years post qualification relevant experience of E&P sector as Reservoir Engineer. Applicants must have in-depth understanding of Reservoir Dynamic Modelling as well as EOR/ IOR and Hydraulic / Acid fracturing particularly for conventional and unconventional reservoir. Applicants must possess expertise on simulation software such as Petrel (RE) and Eclipse (Office, Black Oil, Compositional, Local Grid Refinement, PVTi etc) and will be required to construct simulation models by incorporating geological models.		40 Years

**04 years degree recognized by Higher Education Commission (HEC) is mandatory.**

## NOTE:

- Employment will be made on contract basis for an initial period of 03 years extendable by mutual consent.
- In case of foreign degree, equivalency certificate from Higher Education Commission (HEC) must be provided.
- Applications will be processed in confidence. Only shortlisted candidates will be contacted for interview.
- Applications received after due date or incomplete, will not be entertained. No TA/DA will be admissible for interview.
- Company reserves the right to fill or not to fill any of the advertised position.
- Post applied for should be clearly mentioned on envelop.
- Completed Applications (application form available on website i.e. [www.ogdcl.com](http://www.ogdcl.com)) clearly indicating relevant qualification(s) (with passing year / month), experience (period with dates against each position and organization) and bio data supported by relevant documents along with a copy of CNIC and registration of Pakistan Engineering Council (PEC) (where applicable) and a recent passport size photograph be sent latest by **December 31, 2020** to the address given below:

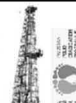

## MANAGER (RECRUITMENT)

### OIL & GAS DEVELOPMENT COMPANY LIMITED

OGDCL HOUSE, JINNAH AVENUE, BLUE AREA, ISLAMABAD, PAKISTAN

PHONE NO.051-920023544

No. 209/06

LARGEST TAX PAYERS COMPANY OF THE NATION
