

PAKISTAN - TOGETHER WE FIGHT THE CHALLENGE  
CORPORATE SOCIAL RESPONSIBILITY REPORT 2022

WELL-DESIGNED BENEFICENT PROGRAMS CONTRIBUTE TO THE SUCCESS OF OUR COMPANY BY RAISING THE STANDARD OF LIVING AND THE STABILITY OF THE COMMUNITIES WE WORK AND LIVE IN. OUR CORPORATE SOCIAL RESPONSIBILITY (CSR) PROGRAMS FOCUS ON LONG TERM RELATIONSHIPS WITH VARIOUS COMMUNITIES CLOSE TO OUR OPERATING LOCATIONS.

WE STRIVE TO EMPOWER PEOPLE AROUND THE OGDCL'S OPERATIONAL AREAS TO IMPROVE THEIR LIVES, ACHIEVE THEIR ASPIRATIONS AND MEET THEIR FULL POTENTIAL. THE SHARED INSIGHTS OF OUR TEAM HELP US MAKE ATTENTIVE DECISION ABOUT INVESTING WHERE IT COUNTS.

WE'RE PROUD OF BEING A GOOD EMPLOYER AND OF FOSTERING A CULTURE SUPPORTING DIVERSITY AND INCLUSION, AND PROVIDING A SAFE, HEALTHY AND REWARDING WORK ENVIRONMENT WITH OPPORTUNITIES FOR GROWTH. WE WORK EVERY DAY TO EXHIBIT SAFE, STABLE AND RELIABLE OPERATIONS, WHILE DELIVERING LONG-TERM VALUE TO OUR STAKEHOLDER

## CHAIRMAN'S NOTE

At OGDCL, we do the right things, in the right ways, for the right reasons, all of the time — this is The OGDCL Way. Our Core Values help us pursue our vision to be among the most successful, sustainable and responsible companies in the country. Ethics is one of those Core Values — it guides our actions and decisions and is a constant reminder of what we believe and how we operate.

A culture with strong ethics means we are fair, we operate with integrity and we are transparent in our decisions and actions. Ethics help foster a safe and engaging workplace that positively influences our relationships with each other, our customers, suppliers, shareholders and the communities where we live and work.

Our Code of Conduct serves as a compass for how we conduct ourselves every day and help us successfully navigate through ethical challenges. It promotes a culture where we are confident that when we raise a concern in good faith, it will be addressed.

To continuously realign ourselves to meet the expectations of our stakeholders through best management practices, the use of latest technology, and innovation for sustainable growth, while being socially responsible.

Corporate Social Responsibility (CSR) is an integral part of OGDCL business model as the company believes in responsible business conduct while treating society as a major stakeholder.

It's my pleasure to share with you the 2nd Annual CSR Report, which show a look into our journey and initiatives that OGDCL has taken for the people and communities, whose lives, we believe, we are helping to improve.

**Zafar Masood**  
Chairman OGDCL

# MANAGING DIRECTOR'S **WORD**

Despite the cyclical and volatile swings in the energy market, I would like to reiterate that OGDCL will continue giving back to society towards creating positive social impact for our country. Corporate Social Responsibility (CSR) is an integral part of OGDCL,s business model as the company believes in responsible business conduct while treating society as a stakeholder.

Our ability to uplift societies to achieve a better and sustainable quality of life for our communities has been through effective collaboration. OGDCL has long viewed its relationship with stakeholders as a partnership underpinned by common objectives and sustained by mutual understanding, respect and trust.

We care about the environment, our employees and the communities where we work and live. We work every day to exhibit safe, stable and reliable operations, while delivering long-term value to our shareholders.

We manage our business to responsibly meet the world’s growing demand for reliable and affordable energy while addressing global climate change risks and protecting our employees and our communities.

It is our commitment at OGDCL to consistently influence the life and the future of children in underprivileged families and communities.

Our CSR includes our commitment to Health, Education, Water Supply, infrastructure, Renewable energy, Sports and Community Development in field area etc.

We continue to bear the expectations and aspirations of Pakistan and the communities where we operate.

**Syed Khalid Siraj Subhani**  
Managing Director OGDCL

# EXECUTIVE DIRECTOR SERVICES' TAKE

Corporate Philanthropy (CP) and Corporate Social Responsibility (CSR) are generally used interchangeably. However, they are different in terms of concept and the practice. CP is described as a voluntary, active non-reciprocal efforts with a sole purpose of benefitting others or fulfilling an unmet social need regardless of return on investment.

CSR, on the other hand is an umbrella term having much wider coverage with the greatest impact. CSR expect a business to take responsibility for their activities and it's impact on the environment their employees and the local community and beyond. CSR is a management concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholder. CSR generally understood as being the way through which a company achieves a balance of economic, environmental and social imperatives, while at the same time addressing the expectations of shareholders and stakeholders

. At OGDCL, all our Corporate Social Responsibility puts focus on improving the quality of life of underprivileged communities, neighbouring our business operations. Keeping up with the company goals our interventions focus on health care, education, water supply & sanitation, infrastructure, donations, skill development, poverty alleviation and sports activities. In the year 2021 - 22, our CSR interventions have touched thousands of lives in Pakistan.

**Zia Salahuddin**  
Executive Director (Services) OGDCL

A critical pillar of our sustainable, long-term growth is the need to ensure that our organization's governance and operations are fully aligned with socially responsible practices.

An aware organization is an enlightened organization. OGDCL's Credo envisions its initiatives as going beyond mere delivery to work with partners and communities on "thinking big" and bold, being engaged and in owning them, while always ensuring that the programmes are implemented with empathy. OGDCL' CSR programmes have interlinkages and synergies that allow it to ensure consistent engagement and flow of benefits to its communities over the life-cycle of the beneficiaries. By nature, these programmes are inclusive, cover the strengths of all programme partners and are empathetic to the aspirations of communities.

We are driven to accelerate human potential and are committed to making a difference in the communities in which we operate. That's why we mobilize our resources and people to support important causes and charities

It is this belief that "businesses cannot succeed in societies that fail" that has prompted OGDCL to embark upon massive programs in numerous areas - from healthcare to education & energy to infrastructure development. Thousands of our team members are making that difference by giving their time, talent and resources to help our communities prosper and grow. This goes beyond obligatory commitments to voluntary commitments which have the power to do more with less.

By engaging with local governments, pioneering thinkers, and diverse stakeholders in our local communities, OGDCL finds and invests in promising solutions that address the social needs.

I proudly bring to you the Annual CSR Report 2022 that captures all the beautiful work that we have done for our communities. I specially thank my colleague at the CSR department for helping me put together this report. Mr. Usman Ahmed (CSRO) - the Sub Editor of this Report hugely contributed towards this effort.

## CSR COMMITTEE OF THE BOARD

The respected CSR Committee of the Board has made phenomenal strategic contribution towards the CSR department. Under the able leadership and directions of this committee, the CSR department in very short time has achieved meaningful milestones like signing of MoU with PCP, impact assessment for CSR activities, future long term planning and aligning of CSR operations with Sustainable Development Goals (SDGs).

The Committee reviewed and refined the CSR Policy and strategy by ensuring that the appropriate management systems, best practices, implementation models and regulatory are in place for Company's CSR Initiatives. The Committee also ensured a transparent monitoring mechanism for implementation of CSR projects / activities undertaken by the Company.

## CSR COUNCIL

The CSR Department conceives the yearly CSR strategy, presented to the Board after endorsement from the CSR Council. Under the impressive guidance of the CSR Council, the annual CSR layout is finalized and executed to improve lives. As CSR Council members, the following high-profile officials take care of all CSR related initiatives:

# TITLE REPORT

## OGDCL- FLOOD RELIEF ACTIVITIES

Oil & Gas Development Company Limited (OGDCL), being a responsible corporate entity, has always been at the forefront of relief and rehabilitation efforts in times of natural calamities such as earthquakes, Covid-19 pandemic, droughts and floods.

## OWN INITIATIVES

OGDCL's next major contribution to the communities where it operates is through its "Own Initiative" for which OGDCL has prepared a comprehensive "CSR POLICY" that serves as a guide for development of communities in marginalized localities. Under the compass of this policy and the aegis of our management, OGDCL has been successful in launching mega projects in education and health sectors. A special "CSR Council" comprising of the senior management and "Field CSR Committee" collectively evaluate and endorse a social welfare project before giving a go ahead.

# SOCIAL FOCUS

OGDCL involves in different projects related to education, health care, sports activities, infrastructure, skill development, enviroment, water & sanitation. To fulfill the needs of the communities in which we are active, company spends a lot in every year. From providing schools with computers and books, renovating and upgrading schools and other facilities to financing higher education and creating infrastructure, OGDCL looks for practical and effective means of contributing to the community.

Building strong relationships with the Governemnt, understanding people's priorities and concerns and managing our impact on them are essential to being a responsible company. To help us achieve this we have seven social investment themes where we create opportunities almost every day for everyone. Our teams responded with agility to the numerous challenges to sustain the support to communities where we operates around.

We have seven social investment themes where we create opportunities for everyone:

# SPECIAL REPORT

## OGDCL FATIMID CENTRE COMING TO DERA ISMAIL KHAN IN 2023

OGDCL CSR department is striving to improve the livelihood of the communities through CSR Initiatives in various sectors. Keeping in view the demands for health facilities from locals, CSR has given maximum importance to health in recent years. Another feather in the cap in this series is the proposed OGDCL – Fatimid Centre Dera Ismail Khan for the people of Southern Districts of KPK.

In Khyber Pakhtunkhwa, Fatimid Foundation is the first charitable blood transfusion Centre which has been providing blood transfusion and related services to Thalassemia patients in Peshawar since 1988. Keeping in view the heavy influx of patients from southern districts of KPK at Fatimid Peshawar Centre, another centre at southern KPK was the requirement of time.

As per data collected from various hospitals of the southern districts of KPK, the number of patients with blood disorder Diseases is more than 7000. The OGDCL-Fatimid, First Class Hematological Centre equipped with state of the art machinery will be in access of marginalized communities having patients

of Thalassemia and Hemophilia who have been deprived of quality treatment previously and had to travel all the way to Peshawar in this regard.

Fatimid Foundation manages the largest blood bank & transfusion service in Pakistan and provides absolutely free of charge transfusion to its 14000+ registered underprivileged sick patients of Thalassemia, Hemophilia and other genetic blood disorder patients on all Pakistan basis.

Construction of OGDCL – Fatimid Centre will be completed in one year's time and is expected to start its operation second year onwards. An MoU in this regard has been signed between both the parties and on ground construction work is in progress.

### CONSTRUCTION / REPAIR OF ROADS / PCC STREETS IN KARAK AND KOHAT

Operating, maintaining and improving the strategic road network would not only improve road transportation but also can bring advantages for the economy, life-styles of the local community and will also impact on the environment. OGDCL spent around Rs 100 million for infrastructure work in 2021-22 in Karak and Kohat areas alone.

### SOLAR SOLUTIONS TO BMP CHECKPOSTS RAJNAPUR TRIBAL AREA

This initiative massively improved the operations of Border Military Police in Rajanpur.

# WATER

## NASHPA DAM (GREATER WATER SUPPLY SCHEME ) AT DISTRICT KARAK:

Since a vast population of Nashpa Block faces an acute shortage of safe water. There is neither groundwater potential to fill their deep wells/tube wells nor any perennial spring/source to establish a water supply scheme to meet the water requirements of the area. Therefore, the sole option is constructing a Dam at a suitable site to maintain gravity flow to villages.

Nashpa Block comprises 11 Sub villages, i.e. (Lorgai, Sanda Manzai, Salkhani, Sanda Khurram, Nashpa, Faqiri Banda, Zanraka Banda, Pir Mila, Paindi Banda, Mir Kalam, and Khazibai). The approximate beneficiaries of the scheme are fifty thousand people.

An agreement was executed in 2012 between OGDCL, MOL and the notables of Nashpa field and surrounding areas to construct a Dam. Therefore, the subject scheme is a joint venture of OGDCL and MOL.

The project includes constructing a dam at a suitable site to maintain gravity flow to villages of Nashpa surroundings.

The proposed Dam lies at a distance of 24 km towards North-East from Karak City. The site is accessible from Indus Highway at 54km from Kohat towards the left side with an un-metalled road via Village Shaheedan at a distance of 3km.

OGDCL has signed an MoU with concerned line departments of Government of KP for executing this project. The next stage is the project feasibility on which progress is made rapidly.
