=====

TERMS AND CONDITIONS FOR SUPPLY OF MATERIAL:

=====

The tender enquiry consist of tools , welding and workshop material for Chanda plant. The items have been divided into 5 groups based on the type of material. The evaluation criteria is group wise.

Following are the terms and conditions of the supply:

1. The items to be supplied must be of superior quality.
2. The country of origin as well as the name of the manufacturer should be mentioned against each offered item in the bid.
3. The manufacturer(s) of Group A should have minimum 25 years of manufacturing experience while Group C, D, E must have 10 years of manufacturing experience.
4. If any item is found defective or having inferior quality, then same shall be rejected by OGDCL and the supplier shall be liable to replace the item in relation to the level of satisfaction of OGDCL.
5. Material should be supplied in proper packaging.
6. Technical literature should be provided for quoted material, wherever applicable.
7. Each and every item will be physically checked at OGDCL site at the time of supply with respect to its quality, size, physical condition, manufacturer tag, code etc. Any type of non-compliance at that stage will lead to rejection of material.
