

Clarification No. 02

Hiring of Rotary Steerable System (RSS) for Directional Drilling against TE#PROC-SERVICES/CB/DO-4949/2020

Some of the Prospective bidders have raised some queries against the subject case. The queries along with OGDCL reply are listed below for information of all the prospective bidders

<u>Sr. No.</u>	<u>Clarifications</u>	<u>OGDCL Response</u>
1.	Kindly clarify if the bidder will be considered qualified if it doesn't have experience of running RSS in Pakistan?	Already mentioned in SOW of TOR that OGDCL invites internationally reputed service companies with Minimum 15 years experience as Rotary steerable system services being key component for Directional wells. RSS technology should be owned by the service provider. Therefore, RSS experience specific in Pakistan is not capped.
2.	Kindly clarify if the award will be made on the basis of techno-commercial evaluation or technically qualified and lowest bidder wins?	Award will be made on basis of technically qualified bidder & lowest in financial evaluation.
3.	Kindly clarify if 10% LIH is being evaluated for all line items mentioned in financial evaluation criteria or only the RSS line items?	Already clearly mentioned that 10% LIH will be evaluated for all equipment in financial evaluation.
4.	Considering the SOW for RSS, in order to bid a compliant and competitive bid, we request OGDCL to extend the bid submission time by 3 to 4 weeks.	Please be informed that due to the operational requirement and complete the subject tender timely, extension in bid submission date cannot be allowed.

All the other terms and conditions are remain same.
