- ii) The contract will be awarded to the bidding firm which fully meets the laid down criteria of the tender in all respect. The contract period is for two years, extendable at same terms & conditions with mutual consent. The contract requires large inventory of fishing tools & well experienced professionals with assurance of their availability in Pakistan.
- iii) OGDCL Drilling Operations has been operating throughout Pakistan i.e. North, South / Centre regions of country. Drilling Department is currently operating ± 15 Rigs during the subject period that includes 08 own Rigs & 07 contractor Rigs. According to business plan, OGDCL will drill ± 26 wells during FY 2021-22. However, OGDCL may increase or decrease the volume of work according to the operational requirement & well plans.

TERMS & CONDITIONS

Daily rental of hired fishing tools will commence after arrival at OGDCL well site and will cease on the day of release from the location and will not apply on back up tools at wellsite and any of retainer charges for the equipment are not applicable.

- i) Equipment operating rate will be applicable for the tools which are operating below the rotary table.
- ii) Standby rate will be applicable on all tools during the period when no tool is in the hole.
- iii) Bidder shall quote Standby rate up to maximum 50 % of daily operating rate of crew and equipment in the quoted rates.
- iv) Day rate & Mob/Demob rate will be same for Local & Expat Fishing Supervisor.
- v) Maximum 48 hours will be allowed for Mobilization of Equipment/Personnel.
- vi) The lost in hole (LIH)/replacement cost of each tool on sliding scale is to be provided along with the rate list & will be part of financial evaluation. The provision of price list is mandatory. Proposals without LIH value on depreciation scale will not be considered for financial evaluation.
- vii) Depreciation rate will be 1.66% per month for DBR & lost in hole tools from date of manufacturing of tool.

- viii) It is mandatory for fishing company to have at least one established base office anywhere in Pakistan or assurance of the same in writing in bid with sufficient back up inventory and service facility for their equipment in Pakistan within 75 days of issuance of LOI.
- ix) Bidder to confirm the mobilization of crew & equipment to location within 48 hours of mobilization notice.
- x) Mob/ demob cost of equipment and personnel will be on “rate per KM” basis. Mob/ demob cost will be paid for South / Center region from Karachi / South base being mobilization point and for North will be paid from Islamabad / North base being mobilization point.
