

PRE-BID CLARIFICATION#01
AGAINST T.E#PROC-FB/CB/P&P-4947/2020

This is with reference to subject tender enquiry and query received from prospective bidder, please be noted following clarification:

Sr#	<u>Bidder Query:</u>	<u>OGDCL Reply:</u>
1.	So for matching the sizes do you need Shop drawing in advance or drawing based on your supplied drawings will be OK? Did you take any sizes during Shutdown maintenance.	Complete drawings have been provided however if you have required any further dimensions for fabrication, you can coordinate with I/C Mechanical and arrange your visit during Annual Turn Around.
2.	Your TOR doesn't mention Installation & Commissioning, so we understand that you will arrange it separately. And from our side one Technical person supervision during installation will be OK for you.	Installation will be made by OGDCL site team however only technical person supervision will be required.
3.	Your TOR also doesn't mention any Electrical system, Panel or Cabling requirement so it will be dealt separately or not required at all.	As the system is already installed and in working condition and drawing has been provided, hence we foresee that the bidder will provide material as per our provided drawings and already installed electrical system will be utilized in future.
4.	Drawing # E-97164 & E-97108 are mentioned in Item# 01 & 02 but not included in RFQ drawings.	Find attached the desired drawings.

NOTE: All other terms & conditions remain unchanged.
