Following Clarification has been made in the subject tender.

Sr#	Questions for Clarification
1	This is with reference to the subject that please explicate the difference (if any) among the below-mentioned services as both seem to be similar. They can only be segregated when both services are required at different pipes, fittings, and equipment. Should the rates be quoted separately in the bid?

OGDCL reply

Please note that Sand Blasting, Primer & Epoxy Painting (292 meter sq.) is required on same spools. Furthermore please find comments in green in below table.

Sr. No.	Job Description	UoM	Qty.
2	Services cost for surface preparation and painting of pipes, fittings & equipment on per square meter basis as Per TOR. <i>Sand blasting & Primer coating (292 meter sq.) rates to be provided separately.</i>	Sq. Mtr.	292
3	Services cost for sandblasting + primer coating of pipes, fittings and equipment on per square meter basis as Per TOR <i>Epoxy painting (292 meter sq.) rates to be provided separately.</i>	Sq. Mtr.	292
