

Clarification No. 05

Hiring of Rotary Steerable System (RSS) for Directional Drilling against TE#PROC-SERVICES/CB/DO-4949/2020

Some of the Prospective bidders have raised some queries against the subject case. The queries along with OGDCL reply are listed below for information of all the prospective bidders

Sr. No.	Clarifications	OGDCL Response
1.	<p>Instruction to bidder, General # ii, it is stated “Daily Operating rate per day for equipment will be applicable only for the tools when RIH below rotary table excluding circulating time and will not apply on back up tools at wellsite”</p> <p>Please clarify what would be the mechanism to calculate operating rate of per day excluding circulating rate and in addition should stand by charge would be applicable for back up tool.?</p>	<p>Circulating time is calculated on hourly basis and will be paid as per actual work done. Moreover, please refer Rate format & Financial Evaluation, circulating time will be evaluated separately from daily operating rate of equipment. Therefore, Bidder to quote rates accordingly.</p> <p>No charges will be applicable for back up tools as per TOR</p>
2.	<p>Instruction to bidder, General instruction, it is stated that “Standby of the crew and equipment will be for maximum 02 days for each phase during OGDCL requirement and waiting on situation”</p> <p>Please clarify if the RSS is laid down during any phase due to any reason, so in that case, should Stand by charge would be applicable.</p>	<p>It is clearly mentioned in OGDCL TOR that Standby of the crew and equipment will be for maximum 02 days for each phase during OGDCL requirement and waiting on situation. Bidder to quote rates as per TOR.</p>
3	<p>Is it compulsory that while participating in the Tender as JV, one of the company has its own tool?</p>	<p>It is clearly mentioned in OGDCL TOR that RSS technology should be owned by the service provider. Therefore service company or its JV partner should have its own RSS technology.</p>

4	Is MWD included in RSS charges or will it be charged separately?	MWD charges for each hole section shall be included in the rate of RSS system and Motorized RSS system and shall not be quoted separately in the rate format.
5	<p>In the financial evaluation criteria, MWD system for section B / C / D are not included in the financial evaluation whereas in the rate format, it is given as separate line item.</p> <p>Kindly clarify if the RSS system and Motorized RSS system lines include the charges of MWD in financial evaluation or no?</p> <p>If the answer to above clarification is "NO" then please clarify if MWD system in all hole sections is being evaluated or not?</p>	

All the other terms and conditions of tender are remain same
