

## **CLARIFICATION**

**PROC/LB/PT/CSR/18216/2020**

Drawing attached are for construction of drains along the road in the populated area and where required. The average thickness of the carpeting is 50mm.

Moreover, the Tender Clause-IB3.1 (b) may be read as "duly meet technical criteria mentioned in these bid documents" instead of "Duly prequalified / enlisted with the Employer"
