

## **Clarification No.1**

**Tender No. PROC/LF/PT/P&P-18341/21**

Description. **Dismantling of Old Condensate Storage Tank T-2811 & Supply Fabrication, Erection, Commissioning of New Tank of Same Capacity (3000 bbls)**

Question: Vendors can quote local resin having same warranty as imported?

Reply: Local FRP resin can be utilized of same specifications & properties, to avoid any delay in submission of bids & delay in supplies due to Covid-19. However, contractor will provide average thickness @ 3mm & holiday test will also be conducted accordingly.
