PRE-BID CLARIFICATION

Subject: **TENDER NO. PROC-FC/CB/PROJ/KPD-3136/2017 FOR SUPPLY OF MECHANICAL, ELECTRICAL, INSTRUMENTATION AND TELEMETRY WORKSHOP EQUIPMENT**

Sr. No.	Bidder's Query	Response from OGDCL
1.	Please Refer to GROUP-F, item # 1(a) IR test lamp. Please share with us the list of IR sensors with make and model which you want to test with the test lamp. As we are to confirm the compatibility of our test lamp with the installed IR sensors.	Refer to GROUP-F, item # 1(a) IR test lamp. Reference of the IR test lamp is given in the tender (TL-2055, honeywell or equivalent), bidder should compare it's product with spec and given model, P/N. So list of IR sensors with make and model is needless.
2.	Please Refer to GROUP-L, Pressure Test Bench, please share with us the detailed specifications/datasheet of the PSV test bench.	This is not only PSV test bench, it is combination pressure test bench for PSVs and Control Valves. All basic requirements like, test pressure range, valve size range, valve connection, booster unit, etc is given in tender doc, no further data sheet is required.
