

**TENDER ENQUIRY NO PROC-FC/CB/P&P/QP-3151/2017, for Inspection / Overhauling Kits for
Howden Compressor (type: Screw) at Refrigeration Package.**

Query	Clarification
Please advise the gas being compressed, as this affects materials in the inspection kit. The serial number tells us what was originally supplied, but does not necessarily correspond to present duty	Gas being compressed is "Propane Refrigeration Gas"
