AGAINST TENDER ENQUIRY NO .PROC PROC-FB/CB/PROD-3189/2018 FOR PROCUREMENT OF 4 INCH PIPELINE AND BENDS

With reference to subject tender, all prospective bidders are requested to note following and submit their bid(s) accordingly on due date/time.

SOR Sr. No.	Clarification	OGDCL's Reply
GROUP-A Item No. 1	UOM mentioned in SOR is "Number" instead of "Meters", please clarify.	Unit of Measurement is " Meters "
GROUP-B Item No. 2	<p>In Group B, the material grade is written as API 5L X52 "NORMALIZED" (NS) and refers to Annexure A Data Sheet.</p> <p>However, this is in conflict with Annexure A Data Sheet whereby specification is API 5L X52 PSL2 "QS" with Service Annexure H.</p> <p>"Q" would mean "Quenched and Tempered".</p> <p>Please advise whether your requirement is for "NS" or "QS"?</p> <p>Note: We understand that there is no more requirement for the bidder to bear the cost of inspection by OGDCL officials or inspectors as we can find such requirement in tender documents.</p> <p>Please advise if our understanding is incorrect.</p>	<p>Material required for Group-B is "QS" instead of "NS" as per data sheet.</p> <p>The cost of TPI shall be borne by OGDCL.</p>
GROUP-C	<p>In the Pipe Bends Data Sheet, there is a reference of "Doc No. SP-QP-11-T-003".</p> <p>This document is not provided in the tender document.</p>	Bidder to quote according to provided data sheet.

Note: All other terms & conditions of the tender remain unchanged.
