

CLARIFICATION NO.1

TENDER ENQUIRY NO. PROC-SERVICES/CB/SEC-3222/2018

HIRING OF SECURITY SERVICES FOR OGDCL'S DIFFERENT MOVING AND NON-MOVING LOCATIONS

Some of the Prospective bidders have raised some queries against the subject case. The queries along with OGDCL reply are listed below for information of all the prospective bidders.

S #:	QUERY:	OGDCL RESPONSE
1.	As desired on page 33, Rates for Senior Security Officer (SSO), SSG Guards and Explosive Detectors: would SSG Guard would be equipped with Automatic Weapon as this category is normally used as Escort/Body Guard/Close Protection duties! Kindly clarify as rates would be different if these are equipped with automatic weapon as compared to 9mm weapon.	Ex-SSG guards will be equipped with the pistols and no additional rates shall be included for automatic weapons.
2.	As far as requirement for Provision of Automatic Weapons for Foreigner's Protection there is a confusion as on page 33 section Contractor/Foreign Rigs total strength including Guards/Supervisors is given 272 whereas on Page 27 the strength is 34! Kindly clarify or issue correction as it will create problem while preparing financial quotation and making Grand Total which would be required to calculate Performance Guarantee.	Expatriates Rigs Pvt.Security guards strength is 04x Security Supervisors and 30x guards (04x supervisors with pistols and 30x guards with semi-automatic weapon). For any additional deployment of guards (on direction of LEAs) at expatriates Rig, number of guards / type of weapons will be informed accordingly. In KPK and Punjab provinces deployment of additional (30/40) guards with automatic / semi-automatic weapons may be required.
3.	On page 26 along with 5 Seismic Parties a note is mentioned as per which at 2D Project strength would be 6 x Supervisors and 40 x Guards, do we have to quote separately for this or this i.e. a new table would be added and strength/rates would be added in grand total! If yes than probably another table in our attached Un-Priced Financial Proposal should be added and certainly Grand Total would be accordingly otherwise quotations of all bidders would be either less charged or over charged.	OGDCL has 05 Seismic parties, which are operational round the clock (30 days in the month / 365 days in a year). Requirement for deployment of security guards with 2D Seismic operation is 06x supervisors and 40x guards, whereas for 3D Seismic operation, deployment of Security guards is 06x supervisors and 50x guards (as 3D operation are more extended).
4.	Would there be Expatriates/Foreigners working along with Seismic Parties as in such case you would be requiring automatic weapons and rates have to be quoted accordingly.	The expatriates do not perform work / duty with Seismic Party, therefor no additional rates are required to be included, please.
5.	On page 25 & 26 there is column for Remarks, do we have to put some remarks in this!	Comment/Explain if required can be mentioned but the substance of bid must not be change.
6.	As per Bank Guarantee/Performance Guarantee subject project is awarded would be 10% of One Year Grand Total, Two Year Grand Total or One Month's Grand Total!	Tender Clause 4.4 invitation to bid, 1.3 instructions to bidder and 27-Performsnce Bank Guarantee are referred.
