HIRING OF DRILLING RIG SERVICES ON AS AND WHEN REQUIRED BASIS

Some of the Prospective bidders have raised some queries against the subject case. The queries along with OGDCL reply are listed below for information of all the prospective bidders.

S #:	QUERY:	OGDCL RESPONSE
1.	We would refer Clause 3.2 of Annexure A “Financial Evaluation” where in point “b” of (Cost format for Each Rig) i.e. the day rate for water waste management (for 300 days) which seems that the bidder will be evaluated separately for WBM rates for 300 days. On the other hand, under the same table in Note No. v) it is mentioned that “The bidders are to provide day rates inclusive of WBM Waste Management Services”.	It is explained that rates for wbm waste management has to be quoted separately as mentioned in rate format and financial evaluation criteria table of the tender document and it will be part of financial evaluation. It is further mentioned that under the financial evaluation criteria at note No."V "will be considered “delete”.
2.	Please kindly clarify the accurate operation location for the bidding assessment.	It is informed that accurate operation location cannot be given.
