

Tender Clarification Request No. 3

Hiring of Directional & Performance Drilling Services

TENDER ENQUIRY NO. PROC-SERVICES/CB/DO-4073/2018

Some of the prospective bidders have raised some queries against the subject case. The queries alongwith OGDCL reply are listed below for information to all prospective bidders

Sr. No.	Reference Appendix/ Article/ Sub Article	Page No	Clarification	OGDCL Reply
1	Annexure A Technical Evaluation Criteria	Page 19 of 61	As per the technical evaluation criteria, there's no weightage for Logging While Drilling (LWD) services whereas the charges are requested in the financial tables and LWD services are also included in the financial evaluation. Kindly clarify if there will be a weightage for Logging While Drilling (LWD) services in the technical evaluation criteria?	As per tender documents.
2	Annexure A Technical Evaluation Criteria	Page 19 of 61	Kindly clarify if the bidder will be considered technically qualified if it doesn't have its own LWD technologies available in its portfolio for providing LWD services which are requested in the financial tables i.e Neutron, Resistivity & Sonic Logs?	As per tender documents.
3	Evaluation Criteria for Directional Drilling in North Region & South Region – Section H	Page 33 of 61 Page 40 of 61	Kindly clarify how will OGDCL conclude the financial evaluation in case the bidder doesn't quote the prices for any service which is included in the financial evaluation i.e. LWD services?	As per tender documents.
4	Rate format for directional and performance drilling in North Region & South Region	Page 20-27 of 61	As per the rate format, lumpsum rates for one job of single-shot and multi-shot kit and single shot and multi-shot operator are required. Kindly clarify how long an average single-shot and multi shot run lasts for the tools below rotary table so that the charges can be proposed accordingly? Will additional charges apply if the tools are below rotary beyond the specified time?	Lumpsum day rate for one job of single shot and multishot kit and operator considering 03 days for each job are to be provided in rate format (separately) and will be applicable in financial evaluation criteria.
