

Clarification No. 01

Hiring of Directional & Performance Drilling Services against TE# PROC-SER/CB/DO-4073/2018

Some of the prospective bidders have raised some queries against the subject case. The queries alongwith OGDCL reply are listed below for information to all prospective bidders

Sr. No.	Reference Appendix/ Article/ Sub Article	Page No	Clarification	OGDCL Reply
1	Annexure A Scope of Work – Article 4	Page 16 of 61	Kindly clarify if it is mandatory to have a local base in Pakistan capable of maintaining Directional & Performance Drilling tools? Please also clarify if the service provider will be considered qualified if it doesn't have the capability to maintain Directional & Performance Drilling tools in Pakistan?	As per tender documents.
2	Annexure A Scope of Work – Article 5	Page 16 of 61	Kindly clarify how the bidder can start providing services without the finalization of financial evaluation and without issuance of LOI after the opening of financial bids?	The successful bidder will be asked to start provision of services after OGDCL internal approval.
3	Annexure A Instructions to the bidders – Article (b) & (g)	Page 17 of 61	Kindly clarify if the bidder will be considered qualified if it has less than 10 years of experience for directional & performance drilling services?	As per tender document.
4	Annexure A Instructions to the bidders – Article 8	Page 18 of 61	Kindly clarify if the bidder having base in both North and South of Pakistan will be given any preference in the financial evaluation?	As per tender document.
5	Rate format for Directional Drilling in North Region	Page 20 & 21 of 61	Please note that the LWD technology providing Neutron service has a Radioactive Source. Kindly clarify if it is required that the Radioactive source should be retrievable from the BHA in case of stuck or lost in hole situation?	Following logs are required. (i) Sonic (ii) Resistivity (ii) Neutron Radioactive source should be retrievable in case of stuck or lost in hole.

6	Rate format for Directional Drilling in South Region	Page 24 & 25 of 61	Please note that the LWD technology providing Neutron service has a Radioactive Source. Kindly clarify if it is required that the Radioactive source should be retrievable from the BHA in case of stuck or lost in hole situation?	Following logs are required. (i) Sonic (ii) Resistivity (ii) Neutron Radioactive source should be retrievable in case of stuck or lost in hole.
7	Rate Format – North & South Regions	Page 20 to 27 of 61	Please note that there's no column in the rate format for the LIH charges. Kindly clarify if LIH charges should be provided by adding another column to the rates format?	Yes, LIH charges should be given separately.
8	After the award of contract – Clause 6	Page 29 of 61	Please clarify the duration of possible contract extension.	As per PPRA rules.
9	Evaluation Criteria for Directional Drilling in North Region – Section H	Page 33 of 61	Please clarify if the LIH charges for LWD services will be considered in evaluation or not? If yes, please also specify the percentage with which the LIH charges for LWD will be considered in the evaluation in section H?	10% of one (01) LWD LIH charges will be considered.
10	Evaluation Criteria for Directional Drilling in North Region – Section H	Page 33 of 61	Please clarify if the LIH charges for Single Shot & Multi-shot services will be considered in evaluation or not? If yes, please also specify the percentage with which the LIH charges for Single Shot & Multi-shot will be considered in the evaluation in section H?	20% of one (01) LIH charges for single shot and multi shot tools will be considered.
11	Evaluation Criteria for Performance Drilling in North Region – Section H	Page 34-35 of 61	The circulating rate for by pass circulating sub is not included in the evaluation. Please clarify if the circulating rate for by pass circulating sub will be charged if provided by the bidder.	Circulating rate is not required. And will be paid as per tender document.
12	Evaluation Criteria for Performance Drilling in North Region – Section H	Page 34-35 of 61	Please clarify if NMDCs are not included in the evaluation of performance drilling services for north region?	Not required.

13	Evaluation Criteria for Directional Drilling in South Region – Section H	Page 40 of 61	Please clarify if the LIH charges for LWD services will be considered in evaluation or not? If yes, please also specify the percentage with which the LIH charges for LWD will be considered in the evaluation in section H?	10% of one (01) LWD LIH charges will be considered.
14	Evaluation Criteria for Directional Drilling in South Region – Section H	Page 40 of 61	Please clarify if the LIH charges for Single Shot & Multi-shot services will be considered in evaluation or not? If yes, please also specify the percentage with which the LIH charges for Single Shot & Multi-shot will be considered in the evaluation in section H?	20% of one (01) LIH charges for single shot and multi shot tools will be considered.
16	Evaluation Criteria for Performance Drilling in South Region – Section H	Page 41-43 of 61	Please clarify if NMDCs are not included in the evaluation of performance drilling services for south region?	Not required.
18	Evaluation Criteria for Directional & Performance Drilling in North & South Regions	Page 33-43	Please clarify if the standby charges of the tools will be evaluated in the financial evaluation or not? If the standby charges will be evaluated, please share the quantities of the standby days to be evaluated for section of North & South Regions for both performance drilling & directional drilling.	No.
17	Evaluation Criteria for Directional & Performance Drilling in North & South Regions	Page 33-43	Please clarify if the financial evaluation criteria is required to be filled by the bidder?	There is no need to fulfill the evaluation criteria. Bidders are requested to fill only rate format.
19	Submission Deadline		It is requested to kindly extend the bid submission deadline by three weeks as response to the	Regretted.

			clarifications will be required to prepare a comprehensive response to the ITT.	
			At Directional tender mention LWD services included Neutron; Resistivity & Sonic. what about density, need it or not?	Density log is not required as per tender documents.
			What is submit bid deadline for both tender?	Deadline for bid submission is 15-October 2018.
