

Clarification No. 01

TENDER ENQUIRY NO. PROC-SERVICES/CB/WS-4223/2019

**HIRING OF MUD ENGINEERING SERVICES ALONGWITH MUD
CHEMICALS IN NORTH REGION UNDER RATE RUNNING CONTRACT
ON AS AND WHEN REQUIRED BASIS**

SR #	BIDDERS CLARIFICATIONS	OGDCL COMMENTS
1	Please confirm that will OBM used HSD provided by OGDCL or it will be on the part of the bidder?	HSD for OBM will be provided by OGDCL.
2	The sample list of the tender requires bidder to provide PAC-LV while in the commercial calculations format list it is PAC-SL. So please confirm regarding the provision of sample as PAC-LV or PAC-SL. Which one should a bidder provide as sample?	OGDCL requires PAC-LV (Poly Anionic Cellulose-Low Viscosity). Please read PAC-LV in commercial format as well.
3	The bidder has set up a mud support lab and mud chemical warehouse in Pakistan. Please confirm as do a bidder need to maintain a stock of mud chemical in Pakistan local warehouse in advance? If so, how many tons of chemical and chemical type need a bidder to store?	Please refer Clause 04 of TOR as well as 6-B of Technical Evaluation Criteria. However after Establishment of contract, the contractor needs to store sufficient stock of Mud Chemicals as per Section E & F.
4	Since the financial tender should include the GST, please clarify the rate of GST for the preparation of Financial Tender as the provincial sales tax for various provinces vary according to the areas of operations.	GST & PST/ICT rate shall be applicable as per announced by the Government of Pakistan.
