Tender No. PROC-FC/CB/PROJ/QADIRPUR-4261/2019

PRE-BID CLARIFICATION No. OGDCL-QP-4261-010

Sr. No.	Reference	Bidder Query	OGDCL Response (19-04-2019)
AA	Page-19/ Clause-3.1.6.3 (Scope Of Work for Control System Integrator) of Scope of Work	<p>It is specified in the Scope of Work of Tender Documents that:-</p> <p>Compressor supplier shall submit with bid a confirmation letter from M/s Solar that in case if project is awarded, M/s Solar will provide complete support and services to respective compressor supplier till the completion of project.</p> <p>As replied by M/s. Solar – Dubai that Solar will not issue any CONFIRMATION LETTER to any bidder as they have already communicated to OGDCL that they will cooperate with selected bidder.</p> <p>Therefore, please advise about requirement of Confirmation Letter considering Solar Response.</p>	<p>Services required from SOLAR are preferable part of the project for smooth and reliable installation, commissioning and startup of the Turbo-Compressor trains, therefore, documentary evidences of correspondences in this respect shall be required as per tender requirement.</p>
BB	Scope of Work of Tender Documents	<p>It is specified in the Scope of Work of Tender Documents that:-</p> <p>Compressor supplier shall also mention separately cost for hiring of services from M/s Solar with commercial proposal in Bid price schedule.</p> <p>i- Despite several reminders, M/s. Solar-Dubai has yet not provided any quotation. We shall appreciate, OGDCL may kindly advise M/s. Solar to provide quotation at the earliest.</p> <p>ii- In case M/S Solar don't provide the quotation till the submission of bid, what will be the course of action.</p>	<p>Bidders are required to make necessary correspondences and follow ups with SOLAR to obtain the quotation for Control System Modification Works, and submit their bids accordingly. However as it is a two stage two envelope bidding process, the bidders will still have option for price addition/deletion after the completion of technical evaluation. Bidder must also submit the following along with the bid proposal:</p> <p>a. Evidences of all correspondences and follow ups with SOLAR made during the bid preparation stage.</p> <p>b. Compliance of the works as per Tender for the Control Software Modifications.</p> <p>i- OGDCL has intimated SOLAR about the potential bidders.</p> <p>ii- being two stage two envelope bidding process, matter will be discussed at Technical evaluation stage, if required.</p>
