Bidder Query:

In the Tender one of the requirements for supply to OGDCL in Sheet 6 of 17 of the Tender have items nos. 8 & 9 which are as follows:

- (8) Housing for attaching with dewatering and mandrel type
- (9) Hoisting/Retrieval System"

We have requested various suppliers for their quote for these items but none have understood this requirement. Could you kindly elaborate so that we could get prices to be able to quote correctly to OGDCL. If OGDCL has datasheet on these items, we shall appreciate receiving them.
