Sr #	OGDCL Requirement in Tender	Bidder Comments	OGDCL Comments
01	No retainer charges for equipment & personnel will be paid by OGDCL.	SOR document specifies "No retainer charges for equipment & personnel will be paid by OGDCL" – Clause 7 of Pg. 3, however, in the Financial Evaluation Criteria table, we are required to specify "Standby Rate". Could you please clarify the difference between retainer charges and standby charges	Retainer charges are defined as rental charges of the extra equipment that is left at location without utilization or without OGDCL requirement. However, stand by charges of the equipment is defined as the equipment that is on hold at location as per OGDCL operational requirement.
02	The mobilization time for Under-reamer services should be less than 24 hours.	We kindly request OGDCL to reconsider our mobilization period of 72 hours (3 days) for any tools as these are specifically assembled for each job and are not stored preassembled	Already conveyed the comments, 24 hours as mobilization notice remains unchanged as per TOR

03	The bidder will provide fishing tools for recovery of offered Under-Reamer at no extra cost.	Bidder can only provide non-standard fishing equipment required for our tool, however, the services will be provided by OGDCL.	Acceptable, Bidder to provide only the fishing tools for the offered under-reamer at no extra cost. However, fishing services will be provided by OGDCL.
