

CLARIFICATION NO. 01
TENDER ENQUIRY NO. PROC-SERVICES/CB/CORR-4614/2020
HIRING OF NDT, MIA, RBI & OTHER INSPECTION & CERTIFICATION SERVICES

Following Clarifications has been made in subject tender:

Sr.No	Bidder's Query	OGDCL Reply
GROUP-A:		
1	<p>Clause # 3.5 (iii): We would request OGDCL to allow Bidders for participation in all four categories of Group (A, B, C & D). However, after financial opening, OGDCL may restrict successful bidder to withdraw from any group of its choice such as, Group-A have to withdraw from Group B & C, or vice versa. Otherwise there would be shortage of 03 Bidders for competitive bidding process?</p>	<p>Participation in all categories shall be according to TOR's only.</p>
2	<p>Clause # 3.1 Who would perform destructive testing for RCFA sample?</p>	<p>Group B & C – Shall perform the destructive testing of RCFA samples.</p>
3	<p>Clause # 4.1 (iv)(c): We understand that the subject tender scope pertains to the mechanical stationary equipment assets...! Whereas in the said clause, provision of electrical, instrumentation and rotary equipment management systems is required... Is it mandatory? If so, what would be the extent of scope for the bidders? Whether they shall only review and analysis the reports of Electrical, Instrumentation and Rotary equipment management system or would be performing physically inspection and testing's activities at field/plant locations as well...? Please clarify.</p>	<p>Testing of electrical, instrumentation and rotary equipment is out of the scope of this contract.</p>
4	<p>Clause # 4.4: We understand that fitness for service certification will be performed by the Group-A contractor with the issuance of FFS certificate/ Report...? Please advise if Bidder scope would be limited to desktop study of review and analyse the NDT data provided by group B & C, or bidder of Group-A shall also have to perform the site inspection as well...?</p>	<p>Scope of bidder A is limited to desktop study, review and analysis of NDT data conducted by group B & C and same provided to group A.</p>
5	<p>Clause 4.6 (ii): We understand that bidder of Group-A scope, shall be limited to develop the desktop preparation of Quality procedures like QIP, WPS, PQR, WQT etc. and field quality control, whereas any destructive or NDT shall be in scope of Bidders of Group B & C. Please confirm.</p>	<p>Group B & C will perform Nondestructive testing as per instruction of OGDCL, desktop preparation shall be scope of Group-A.</p>
6	<p>Clause 4.7 (i): The Clause 4.7 (Develop and Trigger Inspection Requirement) has some scope as Clause 4.1 (v) (I & M). Please clarify.</p>	<p>Yes, It can be replaced by equivalent certifications.</p>
