

**CLARIFICATION NO. 03**

**TENDER ENQUIRY NO. PROC-SERVICES/CB/CORR-4614/2020 HIRING OF NDT, MIA, RBI & OTHER INSPECTION & CERTIFICATION SERVICES**

Following Clarifications has been made in subject tender:

<b>Sr #</b>	<b>Bidder's Query</b>	<b>OGDCL Reply</b>
1	With reference to the Sr # 5.1 (list of conventional NDT / Inspection services) page – 13 of tender documents, there is no indication of UT crawler in this list while on page -22 UT crawler mention for financial rates kindly advise, as per our understanding UT crawler should be mention in advance NDT techniques (as we have seen Sr 3.3 Group-C equipment list UT crawler detail mention. Kindly clarify this point.	<b>Description of UT crawler was missed in the list at Sr# 5.1, however, in the financial format rates for UT crawler is mentioned and shall be the part of Group – B.</b>
2	Page -22 price sheet, there is only total no of Qty mention, for example sr # 01, UT gauging (per Day – 350 Qty). Location is no clear i-e Sindh, Punjab, or KPK. Kindly clear the location of these items and also there should be a separate column for the calculation of mobilization of team charges for plant site.	<b>Since these services are required on as and when required basis all over the OGDCL field, therefore it is not possible to quantify the no of jobs in any specific region. No additional charges shall be paid against mobilization</b>
3	Page- 20, sr # 12- Bid bond price is in USD, kindly clear it is requirement to submit bid bond in USD or we can submit equal to PKR.	<b>Can be submitted in PKR as well.</b>

Moreover, **Clarification # 02** against subject tender may be read as under against following query:

**Query:**

Furthermore, services required in Group-D also warrant conventional NDT (MT/PT of load bearing parts) for the inspection and certification of lifting equipment.

**Clarification/Reply:**
