OF ENGINEERING CONSULTANTS
TENDER # PROC-FC/CB/PROJ/PRE-QUALIFICATION-4690/2020

Query	OGDCL REPLY
<p>With reference to the Clause No. 3.2 (page No. 5/30) of the attached tender document of the subject OGDCL tender for pre-qualification of engineering consultants for various consultancy assignments, “Applicant (s) must be registered with Pakistan Engineering Council (PEC) as Engineering Consultant. Foreign companies / firms registered in PEC Presently / JV Consortium (national and international) will be considered”.</p> <p>OGDCL is requested to allow and pre-qualify those Foreign Engineering Consultants / JV Consortium (National & International) who are not presently registered with PEC, <u>but they commit to undertake registration process with PEC, after the notification of qualification of bidder.</u></p> <p>As you know that world epidemic prevention and control is in critical stage (due to Coronavirus), and offices are closed in the whole world due to lockdown . Therefore, our foreign Principals’ has requested for extension in submission date of pre-qualification documents, against the subject tender for at least two (02) weeks (from the current submission date i.e. 18-05-2020), that may kindly be allowed, and the above PEC condition is relaxed in view of the unprecedented Global Pandemic of COVID19.</p>	<p>As per PEC requirement, any foreign firm applying for consultancy services in Pakistan must be a PEC member at the time of bid submission, therefore any exemption as requested, to this bylaw may be directly taken by bidder with PEC before bid submission & response from PEC to be submitted along with the bid, without which no bid shall be considered for evaluation</p> <p>We have already replied in clarification # 01 that no extension is being considered at this stage tender opening shall be done on the date as already announced</p>
