

**TENDER NO. PROC-FE/CB/PROD-4861/2020**  
**TRANSMITTERS FOR UCH, KPD & QADIRPUR PLANT**

**Clarification No. 01**

<b>Sr. No.</b>	<b>Bidder's Query</b>	<b>OGDCL Reply</b>
1	Please confirm if the Coplanar connection is really required between the transmitters and the manifold? Kindly note that the Process Connection with 1/2NPT manifolds and the transmitter can be achieved with other types of standard connections between them	Yes, coplanar connection is required between the transmitters and manifold
