Sr No	Clarification	OGDCL Reply
1	What thread type is required for GR/CCL Correlation Tool and Cable head?	Any thread type is acceptable but the complete string must have the same threads viz cable head, telemetry, GR/CCL, sinker bar etc.
2	Are sinker bars required?	Yes, sinker bars are required to be quoted in quantity of 04 Nos.
3	Cable head should be sour rated or sweet rated material?	Sweet rated cable head is required, whereas as an option sour rated should be quoted.
4	The tender document mentioned Chinese company quotation Price with RMB, also get payment was RMB. Is it correct?	Yes, Chinese Firms/Bidders should quote prices in RENMINBI (refer Tender Documents Clause 9.3 Part-B Section-I Instruction to Bidders). The relevant Tender Clause is also reproduced hereunder: "Chinese Firms/Bidders should quote prices in RENMINBI. If prices are quoted in any other currency the order shall be placed in equivalent RENMINBI. Bid prices will be converted to the Renminbi at the selling exchange rate officially prescribed by State Bank of Pakistan for similar transaction on the date of opening of bids specified in the tender notice."
5	Valid Registration Certificate with Pakistan Engineering Council (PEC) where applicable, Foreign Company how to do that? It is mentioned in tender documents under the heading <u>format of Corporate & Financial information</u>	Being Foreign Tender Valid Registration Certificate with Pakistan Engineering Council (PEC) from foreign firms/bidder is not applicable. The relevant Tender Document Clause is reproduced hereunder: "Valid Registration Certificate with Pakistan Engineering Council (PEC) where applicable (refer Annexure-J clause # 9)."
