

Clarification No. 03

Hiring of Rotary Steerable System (RSS) for Directional Drilling against TE#PROC-SERVICES/CB/DO-4949/2020

Some of the Prospective bidders have raised some queries against the subject case. The queries along with OGDCL reply are listed below for information of all the prospective bidders

<u>Sr. No.</u>	<u>Clarifications</u>	<u>OGDCL Response</u>
1.	We will request to allow DBR charges as high solid and MW is expected which will have lot of wear and tear on RSS tool.	Please quote as per TOR
2.	We will request to increase no of redress charges per hole section, as in execution phase it is expected to have more number of operational days as compared to what mentioned in the Financial evaluation criteria (specially in North wells).	Please quote as per TOR
3.	We will request to increase no. of Standby days, as per ITT they are limited to 2 days which are not enough, as in execution phase there are situation specially in North and Baluchistan where the tools and personals have to move in convoys and they may get stuck for some reasons (that are not in our control) for many days.	Please quote as per TOR
4.	We would also like to request you to extend the tender submission dates by 2-4 weeks (from 24 th Feb) as due to importance of this tender we need to provide enough technical data from Global and due to COVID the working hours in Western Hemisphere have made it a challenge to submit the tender in this short time, so 2-4 weeks extension in tender submission will give a good opportunity for all bidders to submit the tender document.	Please submit on due date and time

5	<p>With reference to TOR document - Page 3 - Clause III: "Daily Operating rate per day for equipment will be applicable only for the tools when RIH below rotary table excluding circulating time and will not apply on back up tools at wellsite.. "</p> <p>Bidder request to clarify how is the circulating time will be excluded from the daily operating rate per day for the equipment.</p>	<p>Circulating time is calculated on hourly basis and will be paid as per actual work done.</p> <p>More over, please refer Rate format & Financial Evaluation, circulating time will be evaluated separately from daily operating rate of equipment. Therefore, Bidder to quote rates accordingly.</p>
6	<p>With reference to Master Set document - Page 27 SECTION 4A. PAYMENT TERMS- Clause III:</p> <p>"The Company shall use its best efforts to make payment to all Pakistan based companies as early as possible against duly verified invoices. However, any payment made after thirty (30) days shall not in any way attract any markup, interest, surcharge or charges, etc."</p> <p>Bidder requests OGDCL to confirm payment terms to be 30 days upon submission of undisputed invoices</p>	<p>Please follow draft contract clause.</p>
7	<p>Kindly clarify if the bidder will be considered qualified if it doesn't have experience of running RSS in Pakistan?</p>	<p>Already mentioned in SOW of TOR that OGDCL invites internationally reputed service companies with Minimum 15 years experience as Rotary steerable system services being key component for Directional wells. RSS technology should be owned by the service provider. Therefore, RSS experience specific in Pakistan is not capped.</p>
8	<p>Kindly clarify if the award will be made on the basis of techno-commercial evaluation or technically qualified and lowest bidder wins?</p>	<p>Award will be made on basis of technically qualified bidder & lowest in financial evaluation.</p>
9	<p>Kindly clarify if 10% LIH is being evaluated for all line items mentioned in financial evaluation criteria or only the RSS line items?</p>	<p>Already clearly mentioned that 10% LIH will be evaluated for all equipment in financial evaluation.</p>

10	Considering the SOW for RSS, in order to bid a compliant and competitive bid, we request OGDCL to extend the bid submission time by 3 to 4 weeks.	Please be informed that due to the operational requirement and complete the subject tender timely, extension in bid submission date cannot be allowed.
