

Clarification of Tender Enquiry # PROC-FE/CB/DS-4953/2021 for Truck Mounted Cementing Units

Sr.No.	Clause	Tender Specification	Bidder Queries	OGDCL Reply
1	2.1 TRUCK CHASSIS	Flat face Right Hand Drive cab-over 8 x 6 heavy duty truck chassis	Description states the requirement of a truck mounted system. Can you please clarify if we can quote industrially standard float pumping units. If the requirement for continuous truck exists can we provide a dedicated Prime Mover with the pump unit for mobility?	Any arrangement other than the truck mounted chassis is not acceptable.
2	2.1 TRUCK CHASSIS-(ii) ENGINE	Two diesel engines mounted on the deck of the truck chassis should be Caterpillar C-15 ACERT or MTU series 60 (or equivalent) four stroke, six cylinder, electronic type, turbocharged diesel engines rated minimum 525 BHP at 2100 RPM	Diesel Engines: states requirement of C-15 Engines. Can we quote offer with C-13 ACERT 475BHP (at 1200rpm) engine driven pumps ?	No. Please follow tender specs.
3	2.2 (iv)f Hydraulic System	Two (2) Displacement tanks agitator motors.	Hydraulic systems: Please clarify if the requirement for tub agitator is mandatory since our standard cementing units are not fitted with agitators (in-line with fly-mixing requirements)	Agitators are mandatory.
4	Clause-3, 4 & 7		OGDCL is requested to confirm whether the prices for the following items should quoted separately or should be included in main units prices. 1) Prices for Treating Iron, Fittings & Hoses (as per Clause 3, page No. 5 of attached Annexure-B) 2) Prices for the Tools (as per Clause 4, page No. 4 of attached Annexure-B) 3) Prices for Commissioning of Units in Pakistan (as per Clause 7, page No. 3 of attached Annexure-B)	Bidders are advised to quote cost as full consignment as per SOR's/TOR's. They are required to provide itemised cost of Treating Iron, Fittings & Hoses and tools also. As already mentioned in TOR, Commissioning is the responsibility of bidder.
5	Clause-6	Third Party Inspection will be arranged by OGDCL. Bidder will show their willingness for TPI only. Bidder will also facilitate the TPI Inspector.	A bidder does not need to quote prices for pre-shipment inspection, as OGDCL will arrange and pay for Pre-shipment Third Party Inspection . Please confirm?	Confirmed
