

CLARIFICATION AGAINST TENDER# PROC-FC/CB/P&P/KPD-5049/21 HYDRAULIC AERIAL TUBE BUNDLE EXTRACTOR FOR KPD-TAY PLANT

Sr.	Query	Response from OGDCL
1	Please provide the following. <ul style="list-style-type: none">• fluid properties• flow rates• inlet and outlet temperatures• technical drawings	It seems that bidder is misinterpreting the requirement as required specification are not related for procurement of "Hydraulic Aerial Tube Bundle Extractor. All detail / specifications required for heat exchanger tube bundle puller are mentioned in the TOR. The clarified specifications might be required for the heat exchanger tube bundles where as we have initiated the case for procurement Hydraulic Aerial Tube Bundle Extractor not for tube bundle. Hence the required information is not related to the product mentioned in the tender & cannot be provided.
