1	Clause-1.4 of ITB of Tender Documents	Bid submission date is 25th May 2022.	After we double confirmed with local civil contractor and some suppliers/OEM, because Ramadan and near one week EID holiday, they can not finish their proposal and need more time to prepare. Without local vendors proposals, we can not finalize our bid, so we have to request 2 weeks extension for bid submission.	The extension in Bid Submission date (i.e. May 11, 2022) requests, previously received by the prospective bidders, have already been considered by OGDCL and Two (02) weeks extension period was allowed, accordingly; Bid submission date is May 25, 2022. Therefore, being a time bound project, further extension in Bid submission date is not possible.
