PROC-SERVICES/CB/DF-6400000131/2023

HIRING OF DRILLING FLUID WASTE MANAGEMENT SERVICES FOR WATER BASE MUD

One of the Prospective bidders has made a query against the subject Tender Enquiry. The query along with OGDCL replies is given below for information of all the prospective bidders.

Sr #.	Sr Point Description	Clarification	OGDCL Response
01	<p><u>SECTION-B</u> <u>TERMS OF REFERENCE (TOR)/INSTRUCTIONS TO BIDDERS:</u> Point 2: The bidder must have a full established base in Pakistan having following minimum requirement of each category, initially however, after award of contract, contractor is bound to further import the equipment as per requirement of the company. Detail of base along with no. of units of equipment of each category must be provided along with technical proposal.</p> <p>2.1 Minimum 1 units of CDFR comprising Hi-G dryer, auger, centrifuge, storage tank and pump etc.</p> <p>2.2 Minimum 4- complete set of Coagulation Flocculation Unit having Storage tank and Dewatering unit. Dewatering Unit must comprise on following unit as minimum;</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Automated Flocculating unit <input checked="" type="checkbox"/> Flocculate settling tank <input checked="" type="checkbox"/> Transfer/feed pump <input checked="" type="checkbox"/> chemical and accessories. <p>2.3 Minimum 6 bowsers should be available for category- iii a.</p>	<p>The bidder is intended to participate in this tender and fully capable of providing all the required equipment by the courtesy of its Middle Eastern JV partner having more than 15 years of Solids control and drilling waste management experience. Not only equipment asked in tender rather much more advanced equipment is available, however currently outside of Pakistan, therefore it is requested to also allow those companies having inventory outside the country which shall be made available inside Pakistan during the prescribed time frame in case of award of contract and upon requirement we can arrange a visit of OGDCL'S representative to our facility based in Middle East.</p>	<p>Full established base is necessary for said contract as this contract will continue our ongoing services at different sites. Hence, any change in the referred clause tender couldn't be made, please.</p>
2	<p><u>SECTION-B</u> <u>TERMS OF REFERENCE (TOR)/INSTRUCTIONS TO BIDDERS:</u> Point 5: The quoted equipment for the job should preferably be new, not older than 08 years for category-i, ii & iii(b) and not older than 10 years for category-iii(a). For the verification of equipment age each bidder has to submit the Original Equipment Manufacturer (OEM) certificate for the confirmation of manufacturing date of the offered equipment.</p>	<p>If a company is maintaining its equipment and following preventive maintenance schedule then the equipment would be in good working condition and hence would meet the requirement of "A-One grade", Moreover these are specialized (Shaker, Hi-G, Centrifuges) and expensive equipment and can with stand 12-15 years of age if maintained properly, hence It is therefore requested to allow companies to</p>	<p>Contract clause will remain the same. Equipment age has been decided after considering the Oil & Gas sector requirement.</p>

Sr #.	Sr Point Description	Clarification	OGDCL Response
		<p>quote equipment more than 8 years of age with good working condition.</p> <p>Subsequently most of the services companies acquires 3rd party bowzers for haulage of waste water/fluid and do not have its own bowser/vehicle fleet and 3rd parties have mixed age vehicles starting from new to 15+ years of age and engagement of those vehicles/bowzers is uncertain, therefore it is again requested to relook 10 year age limitation and allow companies to quote bowser/vehicles with good working condition by submitting proper maintenance/inspection certifications</p>	
3	<p><u>Extension in Deadline:</u></p> <p><u>Bid Submission: 23rd Jan 2023</u></p>	<p>It is requested to extend deadline further to 2 weeks as SOW is extensive and bidders need ample amount of time to prepare the bids.</p>	<p>1-Week extension has already been granted in bid submission time.</p>
