

# **Clarification No. 02**

**PROC-SERVICES/CB/DF-6400000131/2023**

## **HIRING OF DRILLING FLUID WASTE MANAGEMENT SERVICES FOR WATER BASE MUD**

One of the Prospective bidders has made a query against the subject Tender Enquiry. The query along with OGDCL replies is given below for information of all the prospective bidders.

<b>Sr #.</b>	<b>Sr Point Description</b>	<b>Clarification</b>	<b>OGDCL Response</b>
01	Reference to the Section-B, TOR of ITB and Clause, 2.1, 2.2 & 2.3 in conjunction of 1.1. KEY ACCEPTENCE CRITERIA (MANDATORY) of Section-D,	please clarify since both clauses apparently not right aligned with each other. Please elaborate the equipment requirement and term used '5-6 parallel operations'.	Referred Section-B, TOR of IBT Clause-2, is minimum requirement of participating in tender, while Mandatory requirement confirmation is required to bound the contractor for meeting the OGDCL requirement in case of award of contract.
2	Reference to 43 of TOR,	kindly clarify if in case water Flocculation Services utilized after Rig/Mud Engr. release, or may take longer time to water treatment due to its huge volume and in the meantime OGDCL deputed Mud Engr. gets released, how the contractor would get verification of the aforesaid services	In routine operation, dewatering should close with the close of Rig operations as per referred clause#. 43 however, in case of special and justified case, Head Office will decide and depute the representative for verification.
