

# **OIL & GAS DEVELOPMENT COMPANY LIMITED**

**TENDER ENQUIRY NO. PROC-SERVICES/CB/EXPL-  
6400000004/2022**

## **HIRING OF CHANNELS FOR SEISMIC DATA ACQUISITION**

### **Note:**

- Bid bond of **USD 18,000/- (US Dollars Eighteen Thousand Only)** to be submitted with the bid.
- The master set of tender documents (services) uploaded on OGDCL website ([www.ogdcl.com](http://www.ogdcl.com)) is the integral part of this TOR.
  - Following documents must be submitted with the bid: - Bid Bond, Bidding form, Integrity & Ethics undertaking, Affidavit, Data Summary Sheet, Declaration and Draft Contract duly signed & stamped. Please see master set of tender documents services for further detail

**TERMS OF REFERENCE (TOR)**

**FOR**

**HIRING OF TELEMETRY CABLES (FDU1-4/1-3 LINK, WPSR055 / STPL055) OF 428XL DATA ACQUISITION SYSTEM**

**1. TECHNICAL EVALUATION**

- The technical evaluation will be carried out on the basis of information supplied by the bidders in their technical proposals and the criteria spelled out at Annexure-A provided with this document.
- The bidders securing 80 marks or more marks will qualify.  
The detail breakup of the relevant information to be provided by the bidder and the comprehensive marking criteria are tabulated below.
- **There are 2 (two) categories. Zero in any sub category of category#2 will lead to disqualification.**
- Technically responsive and financially lowest bidder will be considered for award of job.
- Further, any information related to equipment will be provided by bidder (if required).

**2. FINANCIAL EVALUATION**

- Invoice to be generated on monthly basis.
- Payment terms (Payment will be made per day at actual in equivalent Pak Rupees at official exchange rate prevalent on the date of invoice against verified invoices).
- Financial Evaluation will be carried out on grand total cost basis of 04 months inclusive of all type of charges/taxes/duties/fees/freight etc. except PST/ICT on services in Pakistan. Contract will be awarded to technically responsive and financially lowest evaluated bidder.

## Annexure A

Technical Evaluation Criteria		(Qualifying Marks 80)	
Cat. No.	Description of Technical Information	Qualifying Criteria	Max. Marks
1	<b>Company History &amp; Profile</b>		<b>40</b>
	a)	No. of years since establishment Less than 1 years: 0 marks 3-5 Years: 5 marks More than 5 years: 10 marks	10
	b)	No of offices operational office in Pakistan 5 marks No office in Pakistan 0 marks	05
	c)	No. of <b>428XL Ground Electronics Channels</b> rented in last 3 years. (Unpriced Contract copies to be provided ) Less than 2,000 Nos: 0 marks More than 2,000 Nos: 5 marks	05
	d)	Present In hand stock of <b>428XL Ground Electronics Channels</b> present with the company for rental purpose Less than 3000 Nos: 0 marks 3000 Nos to 5000 Nos 10 marks More than 5000 Nos: 20 marks	20
2	<b>Mandatory documents/records/certificates &amp; compliance</b>		<b>60</b>
	a)	Bidder will deliver the equipment within maximum 45 days after issuance of LOI.	complied 5 marks not-complied 0 marks
	b)	Duration of contract will be 04 months, however, contract can be terminated with cause and without cause to avoid complication at any later stage.	complied 5 marks not-complied 0 marks
	c)	Increase /decrease in quantity at any stage during contract period.	complied 5 marks not-complied 0 marks
	d)	Bidder will submit 01 sample of 428XL Telemetry Cables for technical evaluation.	provided 5 marks Not provided 0 marks
e)	<b>428XL FDU TELEMETRY LINK/CABLE</b> This link/cable is made of 3/4 Field Digitizing Units (FDUs)/channels equipped with LCK2F connectors (KCK-2 compatible) to plug-in 3/4 groups of external sensors and a reinforced cable WPSR or ST+. In this configuration the distance between each channel/FDU is 55 meters. Maximum operation water depth: 1 Meters minimum.	complied 5 marks not-complied 0 marks	
f)	Bidder will confirm the availability of equipment in Pakistan, if it is not available in Pakistan import & custom clearance etc. will be sole responsibility of the supplier within stipulated delivery time. However, OGDCL may provide 'Import Authorization Letter' on request of bidder for custom clearance.	complied 5 marks not-complied 0 marks	
g)	All Telemetry Cables must be tagged for identification purpose and successful bidder will submit test record of each Telemetry Cable with TMS428/any other Test equipment with respect to its tag #, before delivery (01 soft copy via email).	Yes 5 marks No 0 marks	

h)	It is sole responsibility of the bidder to supply the equipment as per provided sample and OGDCL specifications. Upon receiving the equipment at OGDCL site, OGDCL field professionals will physically inspect 100% quantity and perform TMS428/LT428 tests within 07 days before seismic operation in field, if any cable or channel found damaged or not working, bidder will replace it at no cost to OGDCL. Bidder may depute its representative during testing period.	complied 5 marks not-complied 0 marks		
i)	Being consumable items, an estimated consumption during seismic acquisition during contract period may be 2 % per month of total provided channels. Therefore, OGDCL will not pay any cost for 8% of total provided channels consumed/damaged/unserviceable during contract period. However, if any channels are consumed/damaged/unserviceable beyond 2% per month or 8% of total provided quantity during contract period, OGDCL will pay @175 USD per channel for the exceeded quantity of consumed/damaged/unserviceable channels. Consumption of channels will be calculated at termination of contract and last invoice will be generated accordingly.	complied 5 marks not-complied 0 marks		
j)	Mobilization & demobilization of equipment from bidder's site to the project area and back (District Hyderabad, Province Sindh), will be responsibility of the bidder at no cost to OGDCL. However, OGDCL may shift and use the equipment anywhere in Pakistan in its seismic projects as per its operational requirement at its own cost.	complied 5 marks not-complied 0 marks		
k)	<p>a) Bidder must submit a compatibility certificate that offered Telemetry Cables will work satisfactorily with latest data acquisition system 428XL and will replace any incompatible item free of all charges.</p> <p>b) Bidder will provide brochure of the quoted items in English including diagrams/drawings as per specifications mentioned in technical evaluation criterion at Sr # 2(e)</p> <p>c) Bidder will provide a certificate that all provided Telemetry Cables are leakage free.</p> <p>d) Good working quality certificate to be provided, acceptable to industry standards.</p>	provided 5 marks Not provided 0 marks		
3	<b>Financial Evaluation Criteria</b>			
S #	Item	Qty	Per day per channel cost (USD)* inclusive of all type of charges/taxes/duties/fees/freight etc. except PST/ICT**	Total Cost of 3000 channels for 04 months(USD)
1	Ground Electronics Channels (Embedded in FDU1-4 /1-3 Telemetry Cables/ LINK WPSR055 / STPL055)	3000		
	Grand Total Cost of 04 months inclusive of all type of charges/taxes/duties/fees/freight etc. except PST/ICT on services in Pakistan			
Financial Evaluation will be carried out on <b>Grand total cost</b> basis. Contract will be awarded to technically responsive and financially lowest evaluated bidder.
