- 4.16. The procedure permissible for open competitive bidding shall be Single Stage One Envelope system as per PPRA rules. Financial Evaluation of the technically responsive bidders will be done on least cost method.
- 4.17. If supply of utility water is required beyond the completion period, then contract for supply can be extended on mutual consent of supplier and Employer.
- 4.18. Contractor is required to visit the route upto the site(s) prior to bidding and shall be bound to continuously supply utility water at the site(s) in such quantity & time as instructed by the Party Chief. No payment shall be made for any supply of utility water made at place other than site(s) of work. If the contractor fails to supply the utility water, in quantity as required at site or supply of utility water is not in time as required at site such noncompliance will be considered as delay and will be subject to liquidated damages @ 0.3 % of contract price per day. In case of non supply or short supply at any day the Party Chief will be entitled arrange supply of required quantity of utility water through his own resources or employ a person to supply required quantity at risk and cost of the contractor. Such adjustment will be made by Party Chief from the bills, retention moneys, bank guarantee or other money payable to contractor by the employer.
- 4.19. Even after the imposition of maximum liquidated damages, if the contractor is making delay in supply of utility water then the Party Chief will be entitled to cancel the contract of the contractor after approval from competent authority and arrange supply of required quantity of utility water through his own resources or employ a person to supply required quantity at risk and cost of the contractor. Such adjustment will be made by Party Chief from the bills, retention moneys, bank guarantee or other money payable to contractor by the employer

- 4.19 Party Chief is authorized to increase or decrease the BOQ quantities as per site requirements. Such variation shall not invalidate the contract. Payment shall be made based on quantity of utility water supplied at site as verified by the Party Chief or his rep under provisions of the contract agreement. No claim of contractor shall be admissible for decreased quantity or increase in rate for increased quantity or increase in rate due to market fluctuations. The rates quoted shall be firm during the supply against project.
- 4.20. Contractor will be responsible to maintain minimum storage in the reservoir as per instructions of the Party Chief in view of requirements of deployed rig.
- 4.21. The prices quoted by the successful bidder (contractor) for required services shall remain firm and final throughout contract period. Any increase / decrease in the fuel i.e, HSD (Diesel) up to 15% by the Government of Pakistan will not be considered for any subsequent adjustment in quoted rates. However, if diesel prices are increased / decreased beyond 15%, then increase / decrease in HSD will be accommodated (for remaining contract period) as per following percentages with reference to quoted rates. (HSD price on the date of technical bid opening shall be taken as the basis for calculations.
