Pre-Bid Clarification-08		
Item No.	Query	Response
1	Please confirm our understanding regarding the following clause that it is pertinent to the quoted model and not any model that the packager provide, is our understanding correct or otherwise. 'The packager must have packaged at least 10 (Ten) turbines (08 MW or higher ISO Rating) with centrifugal compressors in minimum two different projects during the last 10 years (outside the country of origin).'	This is not pertinent to the quoted model.
2	We are requesting a clarification on the technical training requested herein, will this be offered by the OEM or the EPC ? "Training of Process, Mechanical, Electrical and Instruments professionals are required for 07 days at UCH Site."	The training is the responsibility of EPC through OEMs.
