SR NO	Material No	Material Description	Unit	Quantity	Unit Price (FOB)	Total Price (FOB)	Unit Price (CFR)	Total Price (CFR)	Deviation From Tender Spec. If Any
1.	28-00971	DEGASSER VERTICAL VACCUME CAPACITY 1200GPM (DETAILED TECHNICAL SPECIFICATIONS AND TERMS CONDITIONS ARE ATTACHED)	NO	2					
2.		TWO YEAR OEM RECOMMENDED SPARES	LOT	2					

A: Technical Specification:

The required vertical vacuum degassers shall be complete in all respect, ready to install without any additional requirement for parts & accessories and shall have at least following features.

1. Flow Rate :

The machine shall be capable to handle/ process 1200 GPM of drilling fluids/ gas-cut mud.

2. Electrical Requirement:

3 phase, 380 volts and 50 hertz electric system. The electric motor and its starter enclosures shall be explosion proof and suitable for operation in Class-1, Division-1, and Group- C & D hazardous location.

3. Vacuum Pump:

The pump shall be direct coupled (flexible coupling) with or v-belt driven by electric motor. The vacuum pump shall be capable to produce a pressure of 0.025 – 0.050 Mega Pascal in the degasser chamber.

4. Construction & Mounting:

The unit shall be vertically mounted on rigid and heavy duty oilfield type skid (steel frame) with mounting feet, slots/positions for safe and easy handling by cranes & fork lifters.

B: Terms & Conditions:

1. Bids from manufacturers and their authorized dealers/ distributors will be accepted. Authorized dealers/ distributors must provide proof of authorization with technical bid. For bidder other than manufacturers or their authorized dealers/ distributors, a hard copy of authority letter from quoted manufacturer or their authorized dealers/ distributors must be provided with the bid (scanned authority letter or its photocopy will not be accepted). Such authority letter shall be:

1.1 Printed on letterhead of manufacturer or authorized dealer/ distributor.

1.2 Submitted in original.

1.3 Bear OGDCL tender enquiry number.

1.4 Singed and stamped by manufacturer or authorized dealer/ distributor.

1.5 State that the manufacturer/authorized dealer (name to mention) has authorized the bidder (name to mention) to offer the machines and parts against OGDCL tender enquiry.

2. The manufacturer shall have manufacturing experience of “Vertical Vacuum Degassers” for last twenty (20) years. In this regard, Bidder to provide Business License issued by the chamber of commerce or any other regulatory authority of the manufacturer’s country. The Business license (or any other legal certificate) shall reflect date of business establishment, company name and company business brief in English language.

3. Bidder to provide company profile and unpriced sale record of the quoted manufacturer for last five (05) years for “Vertical Vacuum Degassers” along with client contacts. OGDCL reserves the right to re-confirm the authenticity of provided sale record from the clients.

4. Bidder to provide complete sets of relevant manufacturer technical literature/ brochures along with technical proposal for evaluation purpose.
5. Bidder to quote two years maintenance parts for the offered machines (02 No. Vertical Vacuum Degassers). Bidder provided part list for the offered machines shall be the same as mentioned in the “Manufacturer/OEM operation manual and parts catalogue” and in below format. Quoting simply “lot” is not acceptable.

Sr. No.	Part No.	Item Description	Quantity per Machine	Total Quantity for all Machines	Cost per Unit	Total Cost for all Machines
---------	----------	------------------	----------------------	---------------------------------	---------------	-----------------------------

6. Bidder to provide a certificate that offered machines and parts will be supplied new, unused and free from all manufacturing defects
7. Bidder to provide along with the proposal/bid, manufacturer warranty for the offered machines and parts for a period of eighteen month from date of shipment or twelve month from date of installation.
8. Bidder to mention in financial bid description, quantity, unit price (FOB), unit price (CPT Karachi) & extended price, quoting price simply for lot is not acceptable. OGDCL may increase or decrease quantity as per its own requirement at time of placing order.
9. OGDCL may carry out pre-shipment third party inspection (TPI) of the consignment at the manufacturer’s premises/ warehouse through OGDCL designated inspection agency at OGDCL’s own cost.
10. Bidder to submit all documents in English language. All the claims made by the Bidder shall reflect from manufacturer’ official website in English. Similarly, all correspondence related to this tender shall be in English language.
11. Delivery period: 03 months from the date of establishment of Letter of Credit.

Note: All terms and conditions are integral part of OGDCL tender Enquiry.
