**Procurement of major overhauling spares for Continental Emsco Draw Works
C-2 Type-II & C-3 Type-II installed at OGDCL Rigs N-2 & N-3.**

Terms & Conditions for Bidders

1. Spares mentioned in this tender are required for Continental Emsco Draw Works C-2 Type-II & C-3 Type-II installed at OGDCL Rigs N-2 and N-3 respectively.
2. Bids from drawworks/drawworks-spares manufacturers and their authorized dealers /distributors will be accepted only. In case bidder is authorized dealer/distributor of the manufacturer, a hard copy of authority letter from manufacturer in favor of the dealer/distributor must be provided with the bid. OGDCL reserves the right to confirm authenticity of the document(s) from the issuer.
3. In case bidders offer spares from manufacturers other than OEM (M/s NOV), following are required:
 - 3.1 The manufacturer shall have manufacturing experience of at least twenty (20) years. In this regard, bidder to provide business license issued in favor of the manufacturer by the chamber of commerce or any other regulatory authority of the manufacturer's country. The business license (or any other legal certificate) shall reflect date of business establishment, company name and company business brief in English language.
 - 3.2 Bidder to provide company profile of the quoted manufacturer and sale record of draw works spares for last five (05) years by mentioning client names, addresses, e-mails and phone/fax contacts. OGDCL reserves the right to re-confirm the authenticity of provided information in sale record from the clients.
 - 3.3 Copies of minimum five (05) sale contracts/ purchase orders for supplying similar types of items to international drilling contractors or drilling companies other than and outside the manufacturer's own country during the last five (05) years. Each purchase order/ supporting invoice shall be:
 - i. For supplying spares/ parts of various drawworks make and models of USA origin.
 - ii. Showing complete description and quantity of the supplied parts.
 - iii. Showing total value not less than a hundred thousand US Dollar (USD 50,000).
Only total value of the purchase orders/ sale contracts/ invoices is required. Detailed break up of prices (e.g. unit costs and extended costs) are not required.
 - 3.4 The sale contracts must bear valid addresses (postal/ e-mail) and phone/ Fax numbers of the end users (customers). OGDCL reserves the right to re-confirm the authenticity of provided contracts/ purchase orders and certificates from manufacturer and end users.
 - 3.5 A certificate from the quoted manufacturer that the offered spares are 100% exact replacement (i.e. 100% compatible in design, dimensions and function/performance) to the spares mentioned in the Schedule of Requirement (SOR) and that no

Terms & Conditions for Bidders

machining or extra work of any type is required to be performed on the spares before installing them in Continental Emsco draw works C-2 Type II and C-3 Type-II.

4. For all offered bearings, bidder to mention in technical bid, bearing manufacturer name, part number & country of origin. Bidder to further provide bearings technical literature, specifications, drawings, dimensions and standards of manufacturing. The bearing manufacturer shall have minimum twenty (20) year experience of manufacturing such heavy duty bearings. Documentary proof in this regard to be provided along with the bid.
5. In case the bidder offers spares mentioned in the SOR with superseded / replaced part numbers, these should be clearly mentioned in the technical bid and a certificate from OEM (M/s NOV) be provided to confirm that the spares supplied with new part numbers are 100% exact replacement (i.e. 100% compatible in design, dimensions and function/performance) to the spares mentioned in OGDCL SOR.
6. The offered spares to be covered by the manufacturer's warranty/guarantee for a period of one year from the date of installation or 18 months from the date of shipment to the effect that they will be supplied new (not re-manufactured), unused, free from all manufacturing defects and compatible in design, dimensions and performance to the spares mentioned in OGDCL SOR. Compliance/confirmation to this effect to be provided with the technical proposal. In case any of the supplied item/part is found misfit/ incorrect at the time of inspection or installation or turns out to be of low quality during utilization in the warranty period by virtue of material/ workmanship, same shall be immediately replaced by the supplier through airlift without any additional cost to OGDCL whatsoever.
7. Bidder to mention in financial bid complete description, quantity, unit price (FOB), unit price (CFR Karachi) & extended price against each item. Quoting price simply for lot is not acceptable. OGDCL may increase or decrease quantity as per its own requirement at the time of placing order.
8. Supplier shall provide original "certificate of origin and compliance" and "OEM warranty" to OGDCL at the time of delivery. OGDCL reserves the right to re-confirm the authenticity of provided certificates from issuer/manufacturer.
9. The material should be boxed and packed in a compact manner as per international standards to ensure safe handling and transportation during shipment.
10. **Documents Required with Technical Proposal:**

In addition to other mandatory documents required by OGDCL in this tender enquiry, manufacturers (bidders) to provide following documents and information with technical proposal:

- a. Business License as per Sr. No. 3.1
- b. Manufacturer's company profile and sale record as per Sr. No. 3.2
