THIRD PARTY INSPECTION 'SCOPE OF WORK'
7000 Nos. Channels & Peripherals of 428XL Seismic Data Acquisition System

ECMP (GS)/SOW/01/2022

Dated: 19-01-2021

Third party inspector shall carry out the pre-shipment inspection at **M/s Sercel (Nantes), France** and must address the following:-

Physical inspection / verification of 7000 Nos. Channels & Peripherals of 428XL Seismic Data Acquisition System as per **Tender Specifications** (Flag C), **Technical Proposal** (Flag D) with **Clarifications** sought during technical evaluation (Flag E) and **Purchase Order No PROC-FE/PROP/ECMP-5170/770190/2022** (Flag F).

Third Party inspector shall confirm that all the material being provided is brand new & compatible with 428XL Seismic Data Acquisition System having latest version (as per clause.2 of SOR) and Quantity of all items is as per purchase order.

1. Third Party Inspector must inspect **physically 100 %** equipment as per PO quantity.
2. Third Party Inspection will be carried out in Two Stages(Stage-1&Stage-2) .Maximum period for **Stage-1** inspection will be **03 working days** & for **Stage-2** will be **02 working days** and bidder shall submit the **lump sum amount** of the total inspection cost of Two Stages (Stage-1&Stage-2) including all expenditure like air travel, lodging / boarding and hotel charges etc.

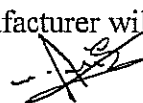

Stage-1 (Items at Sr. #2, 3, 4 & 5 of PO)

3. Third Party inspector shall confirm that **428XL, FDU 1-4 Link STPL055** at Sr. No. 2 of PO, are as per tender requirement and meet the detailed specifications as given at Sr. No. 2 in attachment of OGDCL SOR.
4. Third Party inspector shall confirm that **TFOI-428 500M** at Sr. No. 3 of PO, are as per tender requirement and meet the detailed specifications as given at Sr. No. 3 in attachment of OGDCL SOR.
5. Third Party inspector shall confirm that Items at Sr. No. 4 **SGD-SB SHOOTING SYNC/BLASTER W/BACK PACK & RADIO** of PO are with complete accessories and meet the detailed specifications as given at Sr. No. 6 in attachment of OGDCL SOR.
6. Third Party inspector shall confirm that Items at Sr. No. 5 **SGD-SP SHOOTING CONTROLLER WITH RADIO & PROGRAMMING KIT** of PO are with complete accessories and meet the detailed specifications as given at Sr. No. 5 in attachment of OGDCL SOR.

Stage-2 (Item at Sr. #1 of PO)

7. Third Party inspector shall confirm that **428XL, FDU 1-4 Link WPSR055** at Sr. No. 1 of PO, are as per tender requirement and meet the detailed specifications as given at Sr. No. 1 in attachment of OGDCL SOR.
8. Third Party Inspector will witness the tests of randomly selected 3% to 5% of Ground Electronics items (Sr.1, 2 & 3of PO) at TMS-428/ available testing equipment. The manufacturer will provide the test results of 100% of indented material to Inspector.

9. Third Party inspector shall confirm that all the material is properly packed as per Geophysical Industry standards.
10. 3rd party inspector will ensure to extend full co-operation with OGDCL professional (as per clause 4-a of SOR) during inspection.
11. Third Party inspector will provide the detail report of inspected material to the buyer before shipment of the material.
12. Third Party Inspector will be responsible to contact with manufacturer for inspection schedule to avoid any delay for the shipment of material.
13. The bidder will submit the detailed CV of the persons deputed for inspection along with the bid. Inspector should have **relevant experience** of inspection of electrical and electronics equipment.
14. 3rd Party Pre-shipment Inspection Company will carry out the inspection as per OGDCL TOR. Any service conditions or general/specific/payment terms conditions of the inspection company will not be acceptable. Company will submit **sign / stamped OGDCL SOR, Terms & conditions, Annex 'A' & 'B' and submit declaration** regarding clean acceptance of all terms & conditions given in TOR.
15. The Technical Evaluation of pre-shipment inspection firms will be based as per list "Technical Evaluation Criteria Pre-shipment Agencies" attached with Annex-B and minimum score required for qualification is 70 Points
16. Post-Shipment inspection shall also be carried out by the committee of indenting department (OGDCL) on arrival of equipment in Pakistan and 3rd Party Pre-Shipment invoice will be verified accordingly.
17. Any discrepancy in Part Number / Quantity / Item Description found during inspection, shall be reported by inspector to OGDCL immediately. If any discrepancy is found later on, during post shipment inspection in Pakistan that was not reported in pre-shipment inspection report, OGDCL would not pay the inspection charges and might forfeit the PBG of inspection company (if any).
18. Only the bids of independent registered Third Party Inspection agencies shall be entertained and bid from subsidiary of the Inspection agencies / manufacturer doing operations as supply house/distributor, shall be rejected. A certificate to this effect to be enclosed with the proposal.
19. All attached documents must be in English. Provide English translation version if any is in other language. English translation will prevail.
20. A Certificate to be provided with the bid on the letter head of the company stating that all enclosed documents and information provided with the bid is genuine, if any document or information is found fake/forged at any later stage, then OGDCL can take any appropriate action including but not limited to cancellation of pre-qualification/blacklisting etc.
