SUBJECT: PURCHASE OF SPARE PARTS FOR MAINTENANCE OF WAUKESHA ENGINE 10-K-1001, MODEL# L-5794 GSI, SR.# C-17579-1 INSTALLED AT FRONT END COMPRESSION OF QADIRPUR PLANT (TE/96/QP-MECH/2022).

7. Case pertains to the purchase of Spare Parts for maintenance of Waukesha Engine 10-K-1001, Model# L-5794 GSI, Sr. # C-17579-1 installed at Front End Compression of Qadirpur Plant through field purchase by web posting vide Web Tender No. TE/96/QP-MECH/2022.
8. Thirteen nos. Waukesha Engines having Model # L-5794 GSI are installed at Front End Compression of Qadirpur Plant to meet operational requirement. During Technical Analysis (TA-II) of Engine 10-K-1001, pressure testing of all the cylinder heads was performed and 06 cylinder heads were recommended for refurbishment / repair by M/s OES. Hence, some spare parts like Valve Intake, Exhaust, Insert Valve seat and Seal Valve Exhaust, gaskets etc. are not available in stock and are required to be procured for repair/maintenance of the engine. Indent QP-12725 is already in process for procurement of said items and is currently published for press tendering, however considering lead time for procurement, it is necessary to procure these items at earliest for reliable Plant Operation. The approximate budgeted amount is proposed to be PKR 2.98 Million inclusive of all taxes in the Web Tender request received from field representatives.
9. Requirement reviewed and indented parts observed to be urgently required. SOR's prepared and placed at flag, 'B'.
10. Case file may please be submitted to GM (P&P) for approval. Thereafter, Soft copy of the tender will be forwarded to Chief Information Officer (CIO) to upload the tender on OGDCL official web site as per PPRA rules.
