

**TECHNICAL EVALUATION REPORT**

**RFP NO.: OGDCL-SCM-SERVICES-CB-EXPL-216052758-2023**

**DESCRIPTION OF THE RFP: Rate Running Contract For 01 Year For Hiring Of Channels Of 428XL & G3I Data Acquisition System And Multi Geophone Strings .Bid Opening Date: 25th September, 2023**

S. #	Name of Bidder	Qualifying Marks	Ariba Item No.	Status (Technically Responsive/ Non- Responsive)	Remarks (Reasons of Rejection)
1	M/s BGP (Pakistan) International	100	4.1	YES	
			4.2	NO	1. Specifications of submitted sample is not as per SOR for coil resistance being $395 \pm 2.5\%$ instead of $375 \pm 2.5\%$ , thereby, affecting sensitivity limits of geophone string as well. (Test failed) 2. Provided coils in geophone strings are found too old which may compromise data quality and increase fault rate.
			4.4	NO	3. Specifications of submitted sample is not as per SOR for coil resistance being $395 \pm 2.5\%$ instead of $375 \pm 2.5\%$ , thereby, affecting sensitivity limits of geophone string as well. (Test failed) 1. Single ended geophone string instead of both ends terminating with connector. 2. Clamped T-joint for leader and drop cable instead of molded. 3. Provided coils in geophone strings are found too old which may compromise data quality and increase fault rate.
2	M/s Eastern Global Energy Pvt Ltd	70	4.1	YES	
			4.2	YES	
			4.3	YES	
			4.4	NO	1. Clamped T-joint for leader and drop cable instead of molded. 2. Submitted sample are found having very rusty spikes and old casing. 3. Drop cable of length 5 meter which makes it heavier to carry & deploy.

TECHNICAL MARKSHEET				
RFP NO.: OGDCL-SCM-SERVICES-CB-EXPL-216052758-2023				
DESCRIPTION OF THE RFP: Rate Running Contract For 01 Year For Hiring Of Channels Of 428XL & G3I Data Acquisition System And Multi Geophone Strings .Bid Opening Date: 25th September, 2023				
Description of Technical Information		Total Marks =100 Qualifying marks=70	M/s BGP (Total 100 Marks)	M/s Eastern Global (Total 70 Marks)
1	Company history and profile	40 MARKS	40 Marks	10 Marks
1.1	No. of years since establishment	Less than 1 year: 0 marks 2-5 Years: 2 marks More than 5 years: 5 marks	5	5
1.2	No of operational offices in Pakistan	Yes 5 marks No: 0 marks	5	5
1.3	No. of 428XL/G3I Ground Electronics Channels rented in last 3 years (Unpriced Contract copies to be provided )	Less than 2,000 Nos: 0 marks  More than 2,000 Nos: 5 marks	5	0
1.4	No. of Multi-Geophone Strings rented in last 3 years. (Unpriced Contract copies to be provided)	Less than 2,000 Nos: 0 marks More than 2,000 Nos: 5 marks	5	0
1.5	Present In hand stock of Multi-Geophone Strings present with the company for rental purpose in Pakistan	Less than 4000 Nos: 0 marks 4000 Nos to 12000 Nos: 5 marks More than 12000 Nos: 10 marks	10	0
1.6	Present In hand stock of 428XL / G3I Ground Electronics Channels present with the company for rental purpose in Pakistan	Less than 4000 Nos: 0 marks 4000 Nos to 12000 Nos: 5 marks More than 12000 Nos: 10 marks	10	0
2	Mandatory documents/records/certificates/compliance	60 MARKS	60 Marks	60 Marks
2.1	Bidder will deliver the equipment within maximum 75 days after issuance of service order.	Complied: 5 marks Not complied: 0 marks	5	5
2.2	Maximum duration of the contract is 01 year, which is effective after receiving and successful testing of equipment in field within 7 days, unless earlier terminated under the provision hereof. Any extension in the term of this contract will be subject to mutual consent of both the parties on the same rates and terms & conditions, otherwise, new contract will be made as per OGDCL procedures. However, contract may be terminated with cause or without cause to avoid complication at any stage as per OGDCL standard termination clause.	Complied: 5 marks Not complied: 0 marks	5	5
2.3	Bidder will submit 01 sample of each quoted item for technical evaluation.	provided: 5 marks Not provided: 0 marks	5	5
2.4	OGDCL reserves the right to decrease the hired quantity of channels/Geophone strings at any stage during contract period on as and when required basis of the maximum quantity mentioned in contract, as per OGDCL procurement rules.	Complied: 5 marks Not complied: 0 marks	5	5
2.5	Evaluation Criterion is Item Wise. (Bidder may quote bid for any/all items as per availability of equipment) (a) 428XL FDU TELEMETRY LINK/CABLE (b) Land Geophone strings (SM24/CD-3/SS10PN/ZF24HP/PS10ES or Equivalent) (c) G3I RECEIVER LINE CABLE, 220M LENGTH, 4 takeout each @ 55M (d) Marshy Geophone strings (SM24/CD-3/SS10PN/ZF24HP/PS10ES or Equivalent)	Complied for any quoted item: 5 marks Not-complied: 0 marks	5	5
2.6	Bidder will confirm the availability of equipment in Pakistan, if it is not available in Pakistan import & custom clearance etc. will be sole responsibility of the supplier within stipulated delivery time. However, OGDCL may provide 'Import Authorization Letter' on request of bidder for custom clearance.	Complied: 5 marks Not complied: 0 marks	5	5
2.7	All equipment must be tagged for identification purpose and successful bidder will submit test record of each rented item with applicable testing equipment SGT/SMT/TMS428/RTS/any other test equipment with respect to its tag #, before delivery (01 soft copy via email).	Yes: 5 marks No: 0 marks	5	5
3	It is sole responsibility of the bidder to supply the equipment as per provided sample and OGDCL specifications. Upon receiving the equipment at OGDCL site, OGDCL field professionals will physically inspect 100% quantity and perform SGT/SMT/TMS428/RTS/leakage/any other applicable tests within 07 days before seismic operation in field, if any rented item is found damaged or not working, bidder will replace it at no cost to OGDCL. Bidder may depute its representative during testing period. Rental payment will start after testing period.	Complied: 5 marks Not complied: 0 marks	5	5
4	Being consumable items, an estimated consumption during seismic acquisition during contract period may be 3 % per month of total provided quantity of quoted item/s. Therefore, OGDCL will not pay any cost for (3%*No. of months) of total provided quantity consumed/damaged/unserviceable during contract period. However, if any quantity is consumed/damaged/unserviceable beyond 3% per month or (3%*No. of months) of total provided quantity of quoted item/s during contract period, OGDCL will pay maximum @175 USD per 428XI channel, @75 USD per G3I channel, @50 USD per land & @60 USD per marshy string for the exceeded quantity of consumed/damaged/unserviceable items. Consumption of items will be calculated at termination of contract and last invoice will be generated accordingly.	Complied: 5 marks Not complied: 0 marks	5	5
5	Mobilization & demobilization of equipment from bidder's site to the project area and back (SP 1, SP-5 Province Sindh), will be the responsibility of the bidder at no cost to OGDCL. However, OGDCL may shift and use the equipment anywhere in Pakistan in its seismic projects as per its operational requirement at its own cost. For demobilization, OGDCL will inform 01 day earlier via an email, so that bidder may arrange transport accordingly. After 01 day of intimation to bidder, no rental payment would be payable to bidder.	Complied: 5 marks Not complied: 0 marks	5	5
6	If due to any force majeure, as per OGDCL standard Force Majeure clause, crew becomes stand-by, then Standby Charges equal to 25% of per day per item cost (USD) as quoted by bidder in its financial quote, would be applicable up to maximum 15 days during the contract period. If crew remains standby beyond 15 days during the contract period, then OGDCL will not pay any charges whatsoever till resumption of operations.	Complied: 5 marks Not complied: 0 marks	5	5
7	Bidder will submit all certificates (compatibility, leakage free, good quality) and brochures	provided: 5 marks Not provided: 0 marks	5	5
