| 6       | M/s. China National Logging Corporation, (Pakistan Branch), Islamabad | -   | No                               | <p>List of crew in tabulated form of surface sampling &amp; PVT analysis lab crew clearly mentioning number of jobs and years of experience against each individual as per Table 9 of "Personnel" (page 05/16 of Annexure "A" of TOR). M/s. CNLC failed to provide required document in clarification too.</p> <p>ISO certificates mentioned in table 7 (clause 7) of technical evaluation criteria (page 04/16) of Annexure "A" of TOR (i.e. ISO 14001 or OHSAS 18001). Required certifications for Labs were not provided by M/s. CNLC even in clarifications. Provided data is either expired or not inline with the requirements.</p> <p>Contract/details of third party or self-owned reputable PVT analysis lab capable of performing PVT analysis as per standard E &amp; P requirement was not provided by M/s. CNLC. Neither the bid, nor the subsequent clarifications by M/s. CNLC could firmly establish relationship with any of the labs mentioned in bid. The confusion of the bidder was also evident, as multiple labs were mentioned in the bid without clarity of scope of each lab.</p> <p>Certified English translation of certificates/documents in Chinese language were not provided in bid as stated at Sr # 2.3 in General terms and conditions of TOR (page 02/16 of Annexure "A" of TOR). The casual reply by M/s. CNLC against clarification, that all the submitted documents are in English language is absurd and further shows non-seriousness of the bidder.</p> |
