

Technical Evaluation Report
 Supply of Lube Oil Filters of Siemens Gas Turbine SGT-100 against
 Web Tender Enquiry no. TE/DKN/M/17/22

SR.NO	NAME OF CONTRACTOR/FIRM	RELEVANT ROTARY EXPERIENCE AND PROOF	OIL AND GAS EXPERIENCE AND PROOF	BID BOND SUBMITTED	SIGNED TORs SUBMITTED	REMARKS
01	Noon Brothers Private Limited, Lahore	Technically Responsive	Technically Responsive	Technically Responsive	Technically Responsive	The company is Technically Responsive
02	Bivety Engineering Private Limited, Lahore	Technically Non-Responsive	Technically Non-Responsive	Technically Non-Responsive	Technically Non-Responsive (not in compliance with the delivery date as mentioned in TORs)	The company is Technically Non-Responsive owing to the following reasons: 1. Vendor has no experience of supply of rotary equipment spare. 2. Vendor has no experience of working with/ in the oil and gas industry. 3. Vendor is in non-compliance with delivery date as per clause 4 of the TORs. 4. Vendor has refused to submit a bid bond against their bid

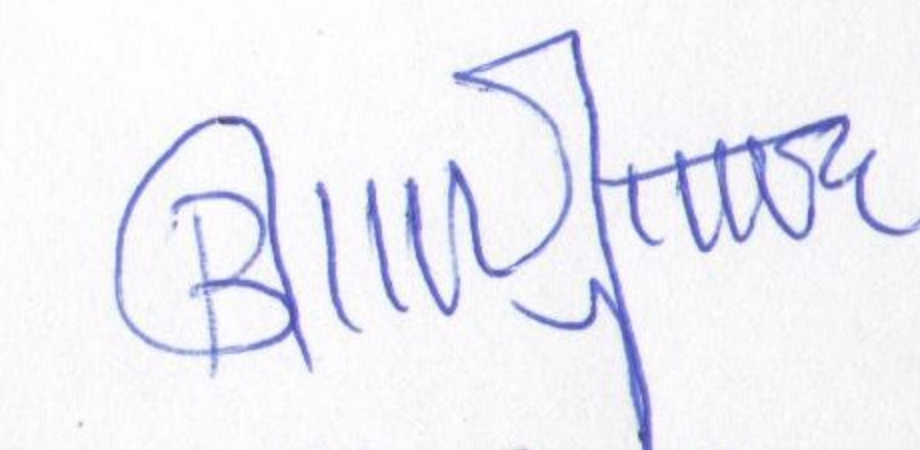

Of the two bids submitted, M/s. Noon Brothers Private Limited's bid has been found to be technically responsive, hence it has been proceeded to 2nd stage i.e. financial bid opening.

M/s Bivety Engineering Private Limited's bid was found to be technically non-responsive.
