TECHNO-COMMERCIAL EVALUATION REPORT

Tender Inquiry No. PROC-WT/Rig N-4/2024/200

Purchase of Material for Catwalk Repair

Sr. No	Bidder Name	Technical Responsive Yes/No	Financial Evaluation Total amount (PKR)	Remarks
1.	M/s Jabbar Metal Engineering Services, Karachi	Yes	2,858,600/-	Including 18% GST
2.	M/s Hatimi Valves & Fittings, Rawalpindi	Yes	2,895,248/-	Including 18% GST
3.	M/s ELC Solutions Corp (Private) Limited, Islamabad	No	2,977,754/-	Including 18% GST

The tender inquiry was advertised for the purchase of material for the repair of Rig N-4's catwalk through web tender under single stage one envelope bidding process. Three (03) bidders, M/s Jabbar Metal Engineering Services, M/s Hatimi Valves & Fittings, and M/s ELC Solutions Corp (Private) Limited submitted their bids for this purpose. After evaluation of their technical and financial proposals, the bids of Sr. No. 1 and 2 were found to be technically responsive, with Jabbar Metal Engineering Services proving to be the lowest bidder, financially. *The bidder (M/s ELC Solutions Corp (Pvt.) Ltd, 3rd in the list is technically non-responsive because the sizes being offered by the bidder as required by OGDCL Rig N-4 Schedule of Requirements are different ie not as per SOR.* Thus, M/s Jabbar Metal Engineering Services is recommended for the purchase of material for the repair of Rig N-4's catwalk, against subject tender.
