

OIL & GAS DEVELOPMENT COMPANY LIMITED

TENDER ENQUIRY NO. PROC-SERVICES/CB/MMD-5444/2022

HIRING AND PRE-QUALIFICATION THROUGH OPEN FRAMEWORK OF CONTRACTOR
FOR MATERIAL SHIFTING THROUGH FRAMEWORK AGREEMENT

TERMS OF REFERENCE (TOR) FOR HIRING AND PRE-QUALIFICATION OF CONTRACTOR FOR MATERIAL SHIFTING THROUGH FRAMEWORK AGREEMENT

Oil and Gas Development Company Ltd (OGDCL) is Pakistan's leading E&P sector company, having operations at above 50 locations and fields in all the four provinces. The detailed information about the Company can be obtained from its website www.ogdcl.com.

OGDCL invites **TECHNICAL & FINANCIAL BIDS** for hiring of Contractor for Material Shifting. The technically responsive firms will also be considered as pre-qualified with OGDCL for a period of two years starting from the date of issuance of pre-qualification letter. The Details of the TOR is as under:

- i. The Contract shall be valid for terms of **01 year** unless terminated earlier by either Party pursuant to the provisions hereof. The contract can further be extended on same terms & conditions with consent of both the parties (OGDCL and Transport Contractors).
- ii. The Tender Enquiries may be issued to the pre-qualified firms/ contractors through e-mail or other means till award of the contract or any other locations which are not covered in the financial bid. The award of contract will be decided on lowest quoted rate basis and work order will be issued accordingly.
- iii. The contractors shall lift the goods of the company at a notice of 24 Hrs conveyed to them by Phone/ e-mail/ fax/letter and if the contractor failed to do so the company shall be entitled to make alternate arrangements i.e to hire the transport from the open market from registered/un-registered transport firms at the risk and cost of the contractor (subject to final notice from OGDCL) and that the contractor shall be bound to pay the difference of cost at actual or shall be adjusted from the bills of the contractor.
- iv. The contractor shall be required to take full trailer/truck load for the journey. Where the views in this regard differ, final decision regarding the load to be carried will rest with the Head of Materials Management Department of the company and the same will be binding on the Contractor.
- v. The contractor shall not load material of any company other than OGDCL on the trailers/trucks, which have been provided/loaded with OGDCL material. In case goods other than those provided by the OGDCL are found loaded on the vehicles of the Contractors during inspection by the Company representative, OGDCL will have the right to impose a penalty as it deems fit which includes forfeiture of Performance Bond and black listing as well.
- vi. All the transport operations and their progress shall be checked by the Officer and Staff of Materials Management Department of the company and the contractors shall extend full cooperation to them as and when required by the Company.
- vii. The Contractor shall properly lash and pack all the material, equipment and accessories, loaded on to its trucks or trailers, as the case may be. Loading and unloading of material at the sites shall be supervised by Company. Proper tarpaulin and manila ropes, etc. shall be provided by the Contractor.
- viii. The Contractor shall provide laborers, drivers, cleaners or any other workers required in connection with performing its obligations under this Contract. Contractor shall hire such personnel exclusively at its own cost and risks. Contractor shall arrange for boarding/lodging of its personnel.
- ix. The Contractor shall not cause delay in the Company's work by diverting elsewhere its equipment or vehicles that dedicated for transporting Company's material and shall complete transportation of material within the time specified in Company's work order.

- x. The Contractor shall bound to provide equipment on agreed rates throughout the contract period at any time even on holidays in Pakistan e.g. Eids, Moharram etc considering the importance of E & P Sector.
- xi. The Contractor shall be required to deliver the material within 40 KMs radius of a desired location.
- xii. The Company will be allowed 8-10 daylight hours for winter & summer respectively for loading and unloading of the cargo.
- xiii. In case any vehicle of the Contractor is stuck-up, push and pulls arrangements will be the responsibility of Contractor and shall be made promptly in safe and secure manner by the Contractor. However, on written request by the Contractor, Company may provide this facility for a charge basis and subject to availability. The Contractor shall ensure trouble free movement of vehicles.
- xiv. The material should reach the location without any delay en-route. Material if not reaches the location within below-mentioned specified time, the contractor has to pay penalty @ 1% per day of the freight amount after expiry of grace period:

Regions	Trucks	Flatbed	Lowbed	Grace Time
South	1-3 days	1-3 days	3-5 days	5 days
Center	3-5 days	3-5 days	5-7 days	7 days
North	6-7 days	7-10 days	10-12 days	12 days

- xv. In case of Joint Venture (JV) the bidder shall submit JV agreement highlighting the responsibilities of the partners. However, the lead partner must meet 80% requirement of The Vehicles/ Equipments of each category i.e Trailers, Trucks, Crane & Fork Lifters (*Ref: Sr.# 3 of Technical Evaluation Criteria*).
- xvi. The Contractor shall depute experienced and skilled crew and drivers for the transportation vehicles. The vehicles shall have safety belts for drivers and crew. The drivers shall abide by all the standard safety, security rules and regulations in general and those applicable in oil and gas industry in particular.
- xvii. The Contractor shall be liable to pay all Government levies, taxes and incidentals such as toll tax, etc. en-route.
- xviii. The Contractor will ensure that its equipment and vehicles are in good working condition, road worthy and fit for the purpose. Any breakdown of a vehicle or equipment shall be attended by the Contractor in a timely and prompt manner. In case of breakdown or any delay in arranging replacement vehicles or equipment within twenty-four (24) hours, alternate arrangements shall be made by Company at the risk and cost of the Contractor.
- xix. The Contractor will ensure that he has obtained and maintains all permits, approvals, licenses and authorizations required for rendering the services under applicable law. Contractor shall present such permits, licenses and authorization to the Company for inspection, upon request.
- xx. No change in rates will be considered except for change in Government Controlled Diesel price. Rates/Charges given in this contract shall remain fixed up to 15% increase in fuel prices and price of fuel on Technical Bid Opening date shall serve as a base price. Increase/ decrease in fuel prices beyond 15% of base price during the contract period will only be applicable on all line items in contract except on standby, over dimension etc. HSD price on the date of technical bid opening shall be taken as the basis for calculations.

Calculation formula for revision in rates given as under:

Revised Transportation Rates = Current Transportation Rate +/- (Current Transportation Rate x 34% x Percentage Increase/Decrease in Fuel Rate).

Calculation of percentage Increase/Decrease in Fuel Rate = (Current HSD Rate – HSD Rate on the Day of Technical Bid Opening) / HSD Rate on the Day of Technical Bid Opening x 100.

- xxi. The Contractor shall submit the invoices for each material transportation immediately after completion of the assignment. The invoice shall be accompanied by copies of Delivery Notes and other necessary documents that are duly verified, signed and stamped by the authorized representative of the Company and shall confirm receipt of material in safe and sound condition. Payment shall be made within thirty (30) days of receipt of an invoice complete in all respects. Deductions of income tax or any other tax whether present or future from the invoices shall be as per prevailing laws.
- xxii. Mobilization and demobilization charges for Cranes and Fork Lifters shall not be admissible for West Wharf Store and Karachi Port. There shall be no mobilization and demobilization charges for trailers and trucks. However, Lowest Standby/ Detention Charges of Technically Responsive Firm will be considered for all the transport firms.
- xxiii. No idle claim in respect of manpower, equipment, machineries, suspension of works, services, materials, travel/transport, boarding/ lodging, taxes, stoppage / suspension or cancellation / termination of work due to land issues, local problems, interference of local influential, law and order situation etc. shall be paid to the Contractor for any reason whatsoever
- xxiv. The transporter shall be responsible for arrangement of HSD for Cranes and Fork Lifters at Karachi Warehouses (West Wharf, KBS & KDS) and Seaports.
- xxv. Standby and/or detention charges (if any) shall be paid as per approved rates on proper verification by the Company. Lowest Standby/Detention Charges of Technically Responsive Firm will be considered for all the transport firms.
- xxvi. Any fuel provided by Company or any repair work done on Contractor's equipment or vehicles by the Company or using the Company's resources or facilities shall be charged by Company as per actual expenditure.
- xxvii. Contractor shall be liable to transport the material in proper condition in accordance with the Delivery Note ("DN") of Company and shall obtain a receipt to the effect duly signed and sealed by the Company's authorized representative. The Company's authorized representative shall make a note in the DN if any item is damaged, deficient or short delivered. On the basis of the note, the Company shall have the right to recover costs from the Contractor, for the lost, damaged, short or deficient items, and shall have the right to withhold or deduct such amount from the security amount or any amount which is due or may become due and payable to Contractor until such a time as the Contractor makes good of such damages, losses and deficiencies of equipment, etc, to the Company. The Company shall also have the right to avail remedy as provided under the law.
- xxviii. The Contractor at his own cost shall seek permission from the concerned Government Departments, Agencies and/or Authorities including but not limited to the Highway Department, Electricity Department (WAPDA), Police, Municipal and Telephone Department, etc. in case of transportation of heavy and over dimension packages/loads of the material and accessories and Company may extend reasonable assistance.

- xxix. The Company shall not be responsible for any road mishaps, accident, injury or death of the Contractor's employees during the performance of its obligations under this Contract. The Company is not liable to compensate the Contractor for any damage or deficiency to the Contractor's equipment during the performance of Contractor's obligations under this Contract.
- xxx. Contractor shall indemnify Company against any claim which might occur due to any failure by Contractor to comply with any legal, statutory and contractual obligations regarding the taxes, duties, fees, levies or other charges whether present or future, including taxes or income in Pakistan.
- xxxi. If the Contractor fails to provide the Services within the time period(s) specified in the Contract or if contracted equipment & vehicles are not provided in accordance with the contractual schedule and the Company is compelled to retain alternate services of another contractor, the Contractor shall pay to the Company any costs and expenditures incurred thereupon. Furthermore, if the operations of Company are delayed due to unexcused late delivery by the Contractor, the penalty shall be charged according to the Company's operational loss.
