## 1. INTRODUCTION

Oil and Gas Development Company Ltd (OGDCL) is Pakistan's National Oil & Gas Exploration and Production Company. OGDCL is currently operating Country's largest Oil & Gas sector.

OGDCL intends to install standalone CCTV Camera system for KBS for the purpose of 24/7 security surveillance. The below specifications cover the minimum requirements that must be fulfilled however, this does not relieve the bidder to supply industry standard equipment, supply of auxiliary equipment necessary for operation of system and make the system functional as per OGDCL requirement.

## 2. SCOPE OF SUPPLY / WORK

S#	Quantity	Description
1	01 complete system	Complete CCTV camera surveillance system comprising of at least 11 Nos 4MP IP Bullet CCTV cameras along with all related accessories as mentioned in General Specifications. The BOM as well as price breakup of all components must be specified clearly in price schedule. System Architecture Drawing and General Arrangement Drawing of complete System to be provided with Bid. NOTE: Flexibility to extend number of Cameras must be present in order to meet any future expansion requirement.  ADD synchronize already installed system.
2	01 Job	Installation & Commissioning Services, Performance Testing of Complete System with Operational / Troubleshooting Training at Site. Lump-Sum price with estimated Man-days must be indicated in bid.

## 3. GENERAL SPECIFICATIONS OF SYSTEM

This system is intended to be used for round the clock security surveillance in Oil & Gas Korangi Base Store. The security cameras must have 4K resolution recording, long-range colour night vision, and extreme weather capabilities. The NVR at least have 32 channel, min 4k 30fps recording, incoming bandwidth of Max 320 Mbps, 2 SATA Drives, 2 USB ports, 2 HDMI ports, 1 VGA Port & support up to 24MP cameras and 30days recording backup. The offered system must be suitable for use within this facility.

**CCTV Specifications:**

1. 4MP WDR IR Bullet Network Camera with Motorised Vari-focal Lens
2. 1/3" 4 MP Progressive CMOS with dual stream encoding (H.265+ & H.265)
3. 25/30fps @4MP
4. WDR (120 dB), Day/Night (ICR), 3DNR, AWB, AGC & BLC
5. Micro SD Slot up to 128 GB
6. 2.7 to 13.5 mm motorized lens
7. Min. IR distance: 60 meter
8. IP67 protection

**NVR & Accessories Specifications:**

1. Main Processor: Industrial embedded Micro-Processor or better
2. Operating System: Embedded LINUX, Quad-core embedded processor or better
3. Network Bandwidth: Max 320 Mbps incoming bandwidth for access, storage & forwarding.
4. Up to 24MP resolution for live view & Play Back.
5. Built in vehicle & feature, built in face recognition feature
6. 55" Smart TV android.

**Civil work details:**

1. Digging/Refilling with proper Optical Fibre cable laying is required around 2000 ft KBS.

All, & specifications outside Laying of optical fibre beside the boundary walls is included in scope. Optical fibre must be laid one feet's below ground to be installed in ducts, or placed in underground enclosures with special protection from dirt and clay intrusion Digging/Refilling & splicing work is in Bidder's scope. The Approx. Optical Fibre required 2000 Ft KBS. Optical fibre is not provided by OGDCL.

**4. SCOPE OF WORK**

Operational and Troubleshooting Training must be delivered after successful commissioning and Performance Testing. Qualified personnel must be deputed to complete this job.

For Service Engineers / Personnel Accommodation and food arrangement at Site will be in contractor scope. Estimated Man-days required to complete the job must be specified in bid.

## 5. SCOPE OF SUPPLIES

Below is the minimum estimated BOQ, any material/service to complete the functionality and to meet the scope of work also to be included.

Sr No	Description	Unit	QTY
1	32Channel 4K Network Video access, Smart H.265+/H.265/Smart H.264+/H.264/ · Max 320Mbps Incoming Bandwidth, Up to 24MP Resolution for live and Playback.	Nos.	1
2	4Megapixel progressive CMOS, Focal Length: 2.7 mm–13.5 mm, Tripwire; intrusion, H.265; H.264; H.264B, IP67, ·Supports max. 256 GB Micro SD card, ·Built-in IR LED, max IR distance: 60 m.	Nos.	11
3	55" P615 UHD Android TV 4K LED Display LED UHD Android TV, Display Resolution 3840×2160 HDMI Cable & Wall Mount Bracket	Nos.	1
4	Hard Disk Drive for Storage Surveillance Grade 4TB	Nos.	1
5	Desktop Network Switch 8 Ports Gigabyte	Nos.	1
6	Desktop Network Switch 5 Ports Gigabyte	Nos.	4
7	PVC Waterproof installation Box Size 4x4"	Nos.	11
8	CAT6 4Pair Sunshield Twisted 23AWG Network Cable	Feet	2000
9	UPVC Pipe 1 Inch with Fitting Accessories	Feet	2000
10	Iron Saddle Clamp with Screws	Nos.	400
11	Fiber Media Converter, Gigabit with Dual Fiber	Pair	01
12	Waterproof Junction Box Size 10x12" With key lock, Power Breaker & Rail Kit with Accessories	Nos.	4
13	Hard Digging, Road Cutting Depth 1 Feet with Refilling of Concrete Material	Feet	2000
14	Fiber Fusion Splicing	Job.	8
15	Installation of Cameras, NVR, network Switches, Laying of Power & Network Cables along with Fiber Splicing, Testing, Commissioning & training	Job	1

## 6. DELIVERABLES

Following is the minimum list of documents to be produced and delivered as part of supply / work scope. Nevertheless, it is not exhaustive list and bidder will be required to provide all standard documents as per industrial standards to achieve this work scope.

- a. Network drawings& Architecture
- b. Optical fibre laying marking and layout.
- c. CCTV layout and drawings
- d. Traceable Warranty Certificates of all related equipment.
- e. Instruction Manuals & Troubleshooting Manuals of CCTV/NVR system.
- f. Required software and plugins CDs with Licenses if required.
- g. Username, Passwords, IP Addresses of System

## 7. AMBIENT CONDITIONS

Ambient Temperature Range: 0 to 50 C

Relative Humidity: 20% to 77%

Maximum Wind Velocity: 100 mph

## 8. AVAILABLE UTILITIES

- 220 VAC, 50 Hz. Electric Power.

## 9. WARRANTIES AND GUARANTEES

Engineering Company will be required to render warranties for all of the material supplied as part of this document. The material will be brand new and free from any engineering defects and/or deficiencies. Any of the flaws/ defects/ deficiencies found at later stage, shall be rectified by the Bidder at no extra cost to OGDCL”.

## 10. GENERAL TERMS & CONDITIONS

- Company will not provide accommodation and food
- All deliverables to be produced by Bidder will be in English language.
- OGDCL reserves the right to monitor/ assess the performance of Bidder to ensure conformity with the CONTRACT Documents. Bidder shall promptly rectify all such deficiencies and/or flaws that are brought to their knowledge by OGDCL.
