**Information for 3rd Party Inspection against Purchase Order No.
PROC-FB/PROD/4887/TPI/770104/2021 for Procurement of 3-1/16" 15000 PSI
X-Mass Tree along with Accessories & Spares**

1	Purchase Order No.	PROC-FB/PROD/4887/TPI/770104/2021 Dated: 9 th Nov, 2021
2	Amount of Purchase Order	USD 1,214,796/- (US Dollars One Million Two Hundred Fourteen Thousand Seven Hundred Ninety Six Only)
3	Name/address of Manufacturer	M/s FMC Technologies, Singapore
4	Name/address of LC Beneficiary	M/s Nuricon Petroservices FZC, UAE P.O. Box 31291, Al-Jazeera, Al-Hamra, Rasal Khaimah, UAE +971-4-2728244
5	Local Agent / Contact Person	M/s Nuricon Petroservices (PTE) Ltd., Islamabad islamabad@nuricon.com amer.ejaz@nuricon.com 051-4102001-4
6	Inspection Location & Address:	FMC TECHNOLOGIES SINGAPORE PTE LTD 149 GUL CIRCLE SINGAPORE 629605
7	Description of Material	As per Purchase Order No. PROC-FB/PROD/4887/TPI/770104/2021 (copy attached)
8	Scope of Work	As per attachment

PRE SHIPMENT THIRD PARTY INSPECTION SCOPE OF WORK AGAINST PURCHASE ORDER NO. PROC-FB/LCB/PROD/4887-A/770104/2021 FOR PROCUREMENT OF 3-1/16" 15000 PSI X-MASS TREE ALONG WITH ACCESSORIES AND SPARES. All Material to be as per API 6A Latest Edition, Material Class "HH", Temperature Class 'X', PSL-3, PR-2

TPI company will follow the tabulated below scope of work and confirm that they will fill and submit this Performa along with their inspection report otherwise the report will not be accepted. Bidders are required to comply the following at serial 1 to 12.

Serial	Evaluation Criteria for Third Party Inspector	Bidder to Provide the Details
	In ability to provide the Required Details will result in Disqualification of the Bid /Quotation without any Clarification.	
<u>1.</u>	Third Party Inspector to provide Documentary Proof that they have carried out similar Third Party Inspections of API Standard 6A Tubing Head Spools, X-Mass Trees, Accessories Material Globally.	Details of the Inspections and Clients to be provided along with the Volume of work and Email contact Details of clients for verification,
<u>2.</u>	Third Party Inspector must have carried out similar TPI's in countries outside the country of its Origin and must have a Global Presence i.e. Asia (Central Asia, Asia Pacific, Middle East), MENA Region, Europe, USA, etc.)	Details of TPI's Company Profile giving proof of International Setup and Jobs carried out Globally must be provided.
<u>3.</u>	Resume /CV of the Inspectors to carry out the job to be Provided for Evaluation. The Inspector must have carried out the relevant Inspections. The resume should specify the complete Job Experience of Similar Inspections carried out by the Individuals.	Complete Detailed Resume is Required. Moreover the TPI to confirm that the Same individuals will be deputed for the TPI and in case the Personal is not available than the Resume of the Replacement Will be shared prior to the Actual Job.

Sr #	Scope of Work	TPI Report/Remarks
<u>4</u>	<u>Review of Material Test Certificates</u> Third Party Inspector Review/sign/stamp the Material Test Certificates (MTCs) in order to ensure that all material is as per purchase order specifications/API 6A Latest Edition, PSL-3 PR-2, Temperature class 'X', Material class 'HH'	
<u>4.1</u>	Third Party Inspector to Review/sign/stamp the Material Test Certificates (MTCs) in order to ensure that all Gate valves stems either 2-1/16 inch 10K psi or 3-1/16" 15K , Choke valves stems, Tubing hangers mandrels, Back pressure valves material is Inconel as per API 6A standard Material class 'HH'	

AQEEL SALEEMI
 Engineer (PED)
 XT-2807

5.	<p><u>PR2 Test Reports</u> Third Party Inspector will Review/sign/stamp the PR2 tests reports of equipment in accordance with API 6A latest Edition where applicable like Gate valves, Choke Valves, Surface safety valves and actuators.</p>	
6.	<p><u>Tubing Hangers, X-overs and Trees Top female pick up Threads compatibility with Pin x Pin X-overs</u> Third Party Inspector will review Test Certificates /Certificate of Conformance from Threading company that they have Threaded the Vam Top threads to X-Overs, Tubing Hangers, and Trees Top. In case all the documents are provided than simple Hand Tight of Tubing hangers and female pick threads of tree top with pin x pin X-overs from both sides in order to check Compatibility will be sufficient to avoid any damage to the material.</p>	
7.	<p><u>Hydro Testing of Equipment</u> Third Party Inspector will witness the Hydrostatic test of X-Mass Tree and Tubing Head spools in assembled form which will be performed by manufacturer by applying pressure individually as per API 6A latest edition testing procedure for 15000 psi X-Mass trees. TPI will make photos and will submit to OGDCL before submission of final inspection report.</p>	
8.	<p><u>Surface Treatment of Tubing Hangers, X-overs and X-Mass Tree Top Flange Threads</u> Bidder is required to confirm that the threads on the tubing hanger, X-overs and tree cap top flange will undergo proper surface treatment, in order to prevent thread damage due to galling etc. The treatment must be as per material class 'HH' to avoid galling or any other threads problem</p>	
9.	<p><u>Technical Drawings and Dimensions of Equipment</u> Verification of Technical Drawings provided by the manufacturer to confirm the complete dimensions and Specifications for all the Equipment as Per Purchase Order e.g. ODs, IDs, Min Bore, Lengths, pressure rating, temperature rating, elastomers etc.</p>	
10.	<p><u>Finished Equipment Inspection</u> Third Party Inspector will visually inspect the finished material in order to verify the equipment is brand new/unused and as per purchase order specifications</p>	

ADEEL SALEEMI
 Senior Engineer (PED)
 EXT: 2807

	and quantities are as per purchase order in the open packing boxes.	
10.1	<u>Photographs of Consignment</u> TPI Company will submit the photographs along with the TPI report to OGDCL prior to submission of final inspection report.	
10.2	<u>Boxing and Packing</u> Third Party Inspector will confirm that consignment boxing and packing is as per API/ international standards	
11.	<u>TPI Quoted Rates and Visits at Manufacturing Plant</u> The bidder should show compliance that their quoted rates will be inclusive of all the costs for the inspection like transport & lodging if required. Keeping in view that the inspection will require at least 3 to 4 or more visits to the manufacturing plant and may involve 6 to 7 man days or more	
12.	<u>Submission of Inspection Reports/Inspection Release Note</u>	
12.1	Third party inspection company will submit inspection progress reports to OGDCL Production Engineering & Facilities Department at the following e-mails addresses: pir_asim@ogdcl.com, safdar_ali@ogdcl.com, kafeel.ahmed@ogdcl.com, adeel_saleemi@ogdcl.com, omer_ali@ogdcl.com	
12.2	TPI will Place the signature /stamp on inspection release note/inspection report electronically in the original pdf files of inspection release note and inspection report.	
12.3	TPI will Mention OGDCL purchase order number & LC number in the first page of final inspection report/inspection release Note.

- Bill of Materials and Packing Slip (if applicable)
- Name of the Ship & Shipping Line
- Port of Origin (if applicable)
- Port of Destination
- Expected Date of Arrival (ETA) (if applicable)

SHIPMENT INSTRUCTIONS

- The Consignor/Supplier/Issuer is required to provide the Consignment Invoice / Packing List shall be passed to the consignee at the date of departure for FCL shipments and in advance of Traces / Cartons etc. for LCL Shipments. Non Compliance to this instruction may result in penalties imposed by Customs Authorities which shall be recovered from the Consignor/Supplier/Vendor.
- Please ensure that in case of CIF purchase order / contracts the local charges at Karachi Seaport/Airport must be included in the freight cost.
- The freight forwarders/shipping agents in country of origin must include the corresponding local charges such as delivery order/inland handling & container rental, etc. The time of company shall pay only the wharftage/demurrage charges. They should also ensure that these should be paid via local agent of the shipping company who would handle such matters in the port of origin of the goods. The bill of lading should mention these matters.

INSTRUCTION REGARDING TRANSMISSION/NEGOTIATION OF SHIPPING DOCUMENTS

ORIGINAL NEGOTIABLE DOCUMENTS:

- The beneficiary immediately upon making shipment(s) should negotiate the original clean shipping documents from their bank in place with negotiating bank as mentioned in the LC.
- If clean documents from their bank are not negotiated within negotiation period mentioned in the LC, or if the documents are withheld by the Bank on account of any discrepancy whatsoever the demurrage or financial impact of any incurred fine etc. for negotiation of clean documents will be on beneficiary's account.
- All original/negotiable documents must contain at least four sets of the shipping documents mentioned under Clause No. 5 above.
- The original shipping documents should be dispatched through courier service by the negotiating bank at the earliest possible time to the beneficiary as mentioned in clause No. 5 above.
- The beneficiary's bank will also ensure local agent will be appointed subject to the consent of Requirement Department to facilitate prompt clearance of the consignment on the condition that demurrage, if any due to the discrepancy reported by LC opening bank will be on beneficiary's cost.

NON-NEGOTIABLE DOCUMENTS

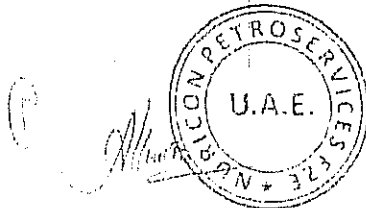

- Complete sets of non-negotiable shipping documents along with complete set of Parts Catalogue, Brochures, Technical literature must be dispatched OR E-mailed to the Manager (M&M) towards the following address immediately upon shipment is effected:-

143-BANLUB (3/10) PAFKARIM
OIL & GAS DEVELOPMENT COMPANY LIMITED
143-BANLUB (3/10) PAFKARIM
NORTH AREA AREA, KARACHI EAST DISTRICT
SINDH PAKISTAN
PHONE NO. 021-33414002, 33621
E-mail: ogd@ogd.com.pk

- Complete sets of non-negotiable shipping documents must be dispatched OR E-mailed to Dy. Chief Material Officer at the following address immediately upon shipment is effected:-

JOINT CHIEF MATERIAL OFFICER
OIL & GAS DEVELOPMENT COMPANY LIMITED
PLOT NO. 02, WEST WHARF ROAD, KARACHI PAKISTAN
PHONE NO. 021-33411100, 2313100, 2316 PAKISTAN. E-MAIL: material@ogd.com.pk

- The shipping documents should be covered through any reliable courier company at shipper's cost so that the same must be received at least 10 days before arrival of the vessel.

INSURANCE

Insurance from port of shipment/delivery shall be covered by buyers and declaration shall be made by the beneficiary to insurance company i.e. 14/5 National Insurance Company Limited, HQ Building, South Zone, Abhasi Saeed Road, off Sheikh-Hamad Road, Sharjah (Emirate) Fax No. 0692-21-99062734 or E-mail: "national.ins@nnci.com.ae". OR web: "http://nnci.com.ae". OR "http://www.nnci.com.ae". Manager (Accounts) /CGDC LTD. Fax No. 0692-51-929803-07 or E-mail: "mailto:cgdc@nnci.com.ae". Immediately after shipment giving full details of shipment e.g. value of shipment description material, name of vessel, B/L with date, port of shipment, contact and Letter of Credit Number.

DEFERRED PAY TO DELAY IN RECEIPT OF ORIGINAL / NEGOTIABLE DOCUMENT / TRANSHIPMENT AND SHIPPING PRICE ADJUST

16.1 If in our receipt, the original document (or original or second of the L/C or documents are withheld to have an amount of set off/short amount. The amount of change / difference due to any discrepancy of the clean documents submitted by the CGDC, will be realized from the beneficiary directly by raising debit advice, or by reducing the amount paid from the L/C bank in the amounting "Performance Bond or sure applicable" in the event of insurance amount. In case the discrepancy requested and the value of performance bond/insurance amount will be payable by the beneficiary.

16.2 Transshipment is totally prohibited under this L/C. The beneficiary must ensure that no transshipment takes place against the L/C and demurrage paid by CGDC in case of transshipment will be on beneficiary's account.

16.3 The date of agreement by CGDC, and responsibility of T/I will not be affected by whatever it may be.

ACCEPTANCE OF DELIVERIES

(a) The contractor shall be responsible to check the quantity, quality and price (also the used in the contract) and inspect it by written procedure. If any discrepancy the contractor shall inform the contractor (and/or the beneficiary) immediately in writing. If no written notice from the contractor prior to the expiry of port of call, the contractor shall be deemed to have accepted the goods. In case of discrepancy, the contractor shall be responsible for the cost of the goods. If the contractor does not accept the goods, the contractor shall be responsible for the cost of the goods. If the contractor does not accept the goods, the contractor shall be responsible for the cost of the goods. If the contractor does not accept the goods, the contractor shall be responsible for the cost of the goods.

(b) To ensure the purchaser is satisfied that the delayed / defective shipment was due to some mistake or circumstance beyond the control of the contractor, and the contractor has not intentionally or negligently contributed in the delay, the contractor shall prepare a report to be submitted to the purchaser. If the delay is more than a day equivalent to 0.5% of the delayed or defective shipment price. For every week (or part thereof) from the first week up to 30 days, the contractor shall be responsible for the cost of the goods. If the delay is more than 30 days, the contractor shall be responsible for the cost of the goods. If the contractor does not accept the goods, the contractor shall be responsible for the cost of the goods.

(c) Even after expiration of L/C, if the supplier fails to materialize the delivery (material and/or services), the purchaser reserves the right to cancel Purchase order/contract/L/C and to claim the Guarantee (if applicable) after notifying the supplier in such cancellation / termination.

AMENDMENT / EXTENSION OF L/C

The beneficiary will positively confirm shipment of all ordered goods within L/C validity or make request for extension of shipment and negotiation dates at least 15 to 30 days prior to the expiry of L/C. If shipment is not effected within L/C validity or request for extension is not received 15 to 30 days prior to expiry of L/C validity, no request for grant of extension of shipment and negotiation will be entertained under any circumstances. In case of extension in shipment/negotiation period the beneficiary will be required to ensure the validity of his performance bond (where applicable) accordingly. All charges on amendment will be on beneficiary's account.

CHARGES FOR L/C ESTABLISHMENT

13.1 All charges for L/C opening to be paid directly from the CGDC.
13.2 The charges of crossing/endorsement such as negotiation of documents, adding confirmation to credit etc., will be to the account of beneficiary.
